"IT'S ALL THE **GEARHEAD** NEWS YOU CAN USE"

VOL No. 5

APRIL 14, 2005

ISSUE No. 5

EDITOR: JIM BRANDAU PUBLISHED: WHENEVER I CAN DO IT OR ONCE A MONTH MOST OF THE TIME

Hey Gearheads,

Here's the latest Ramblings and Rumbings, in another action packed issue of the **GAZZETTE**. Let's get to it.

Welcome to all of the new readers of the **GAZZETTE** joining us this month.

Make sure you check out the whole **GAZZETTE** this issue. **WOW!!!** If you can't find a show to go to, or the info you need, it's cause you ain't reading the whole thing.

Those of you, who missed the get together with the HOT ROD Magazine guys on March 21st, missed a pretty cool deal. While the Airlines had them late, once they got going, it was pretty good. Plus we got to tour the LANE Auto Museum for FREE. We even got a behind the scenes look and talked about how they restore the cars they have. I was amazed at how big it is and how many cars are there. You owe to yourself to check this one out. The HOT ROD Guys made up for being late with FREE t-shirts, collectable cars and magazines. Thanks to Tom Akers for setting it up.

The weather was less than great, but while chilly, there were 75 hearty Cruisers that showed up April 2nd to kick off the Bellevue Cruisers 1st Cruise-In of the year. Remember that this cruise is now once a month. Check out the **GAZZETTE** for the dates and plan on being there!!

Speaking of Cruise-In's, Sat April 16th kicks off the BACKYARD BURGER every Sat Nite Cruise, in Franklin Tn. If the weathers right it should be a big turnout. Plan on being at this one.

One more item on Cruise-In's. I heard that there is a Cruise Nite going on

in Columbia Tn. too. Supposedly it is to happen on the 2nd Sat Nite of each month. Sounds like there were about a dozen or so rides that showed up on Sat April 9th. If this is really going to happen, someone send me the details and we'll get them listed in the Cruise Section of the **GAZZETTE**.

Just a reminder, the Bellevue Cruisers are playing the Host Club for the HOT ROD POWER TOUR Stop over in Nashville on June 7th. They are still accepting volunteers to help make this happen. You will get the "BIG Entry deal" for Free by working for a while. This is different than just the Stop over package. Check out the listing on June 7th in the "Cool Stuff To Do" section of this issue.

We have added a new section to the **GAZZETTE** this issue. It's called "Shops & Services for Us GEARHEADS". We are going to list different business's that are GEARHEAD orientated and friendly. That's not to say that other businesses aren't, but these are some that we can go to for help when we need it. Let us know what you think of this new section. Feedback is good.

If you missed the HOODLUM ALLEY Cruise Nite on Friday April 8th, you missed a good one. While the car count was down a little in my estimation (Weather concerns, but turned out dry and comfy), it still was a hoot!!! Plan on attending the next one later this year. In the mean time, here are a couple of pictures from last week's big doin's.

Check out the "**COOL HAPPENINGS IN YOUR GARAGES**"

section, for a look at how the new HOT RODS & THREADS FULL SERVICE HOTROD SHOP will look. Look for info on the opening date right here, in an upcoming issue.

And a final note. Many of you may have noticed that MID-SOUTH SPECIALTY CARS has sponsored the **GAZZETTE** from the start. No more though. MID-SOUTH SPECIALTY CARS is no more. Both it and MID SOUTH STREET RODS & INTERIORS have joined forces to form HOT RODS & THREADS FULL SERVICE HOT ROD SHOP. Paul Shauck and I Look forward to seeing all of you at the new shop as soon as it gets done. HOT RODS & THREADS will be the new sponsor of the **GEARHEAD GAZZETTE**.

Until next issue, keep it between the lines...

JimmyB

As always, if you want the **GAZZETTE** direct instead of forwarded 2nd hand, let me know. All you need to do is send me an email at hotrodsbyjimmyb@aol.com. You can also always check out the current issue of the **GAZZETTE** on line at www.hotrodthreads.com in case you erase your copy and need to see it again

"Remember...we're here for a good time...not a long time...Enjoy the Ride".
