"IT'S ALL THE **GEARHEAD** NEWS YOU CAN USE"

VOL No. 5

JUNE 24, 2005

ISSUE No. 8

EDITOR: JIM BRANDAU PUBLISHED: WHENEVER I CAN DO IT OR ONCE A MONTH MOST OF THE TIME

Hey Gearheads,

Well another month has gone by...FAST!!!

Want to say welcome to all the new subscribers of the **GAZZETTE**. Glad to have you along for the ride.

Don't forget Gearheads, in between issues you can always check out the latest Hot Happenings at www.gearheadgazzette.com. Also I'll keep the heads up notices coming for any Hot News you can use.

June sure has been a busy month for the Gearheads. Power Tour, Hot Rod Reunion, and Tennessee Cruzin show, just to name a few. Throw in Killer Friday nite cruisin' in the Boro', Saturday nite cruising in more than 1 place. WOW!!! The only problem is you want to do them all and you can't. Heck, June 18 there were 6 shows on 1 day!!! Talk about hard choices. Some of you Clubs and show producers may want to think about calling each other and spreading out all the shows so we can attend them all. Helps us out wont you?? It will help you and your sponsors too!!

I cruised over to the Hot Rod Power Tour. WOW!!! Say it again...WOW!!! According to our good buddy Tom Akers and the Bellevue Cruiser bunch, who were working registration in Nashville for the Power Tour, there were over 3000 cool rides at Opryland on June 7th. If you didn't make it to check things out You missed it. Yea it was damn hot. But all those cool rides made it so much easier to bear. If you haven't checked out the Power Tour Photo's at the website, click on over and do it right after you finish reading this issue of the **GAZZETTE**.

While I didn't make it up to Bowling Green for the Hot Rod Reunions 3rd one(it killed me...I made the first 2), I did get some great reviews from a lot of the Gearheads who did make it to the show. There were over 1300 cool rides plus all the nostalgia race cars there. Check out the photo from the Sat Nite Cacklefest. Top Fuel under the lights with Nitro Flames shooting high into the night time sky. OH YEAA!!!!!!

This cool show will be back next year on the 3rd weekend in June 05. Don't you miss it again...I know I won't.

I talked to some folks who attended the Tennessee Cruzin Nationals Car Show. Sounds like the car count was around 300-400 based on rough numbers. I know there were folks who were grumbling about the high entry fee. Also the 4 day format was tough. I think this one can do better on the weekend following the Hot Rod Reunion, if it were to move.

Just a reminder that a BIG TIME auction is coming to town. The Kruse Auction folks will be holding one of theirs here in July. If you're looking to buy or sell, get a hold of them and check this out. All the info you need to get hooked up is in this issue of the **GAZZETTE**.

Speaking of reminders, Check out the Bellevue Cruisers, July Cruise in on July 2nd. Check out the info in the events section. The gang is going to do a Military tribute and have some really cool things planned. Be there. I know I will.

Enough exhaust from me...here's the good stuff.

Until next issue, keep it between the lines....

JimmyB
