"IT'S ALL THE **GEARHEAD** NEWS YOU CAN USE"

VOL No. 5

Sept 25, 2005

ISSUE No. 11

EDITOR: JIM BRANDAU PUBLISHED: WHENEVER I CAN DO IT OR ONCE A MONTH MOST OF THE TIME
FROM THE TAILPIPE...

Hey Gearheads,

Here's some more rumblings for the month and news you can use.

Let me start out by saying **THANK YOU** to all of you, for your support of the clothing drive, for the hurricane victims in Slidell La. Whether you donated items, and there were a lot of items, or just passed the e-mail on or told some one about the drive, you made a big difference. I knew we could count on the Gearheads to come through, and you did many times over. The clothes were delivered on Sept. 15th. The folks were so appreciative and thankful. Again thanks to Early's Honeystand & Hot Rods & Threads Full Service Hot Rod Shop for providing the drop points. Thanks to Hot Rods & Threads for gathering all the stuff up and getting it to Joe Murray to deliver. Thanks to Joe for taking time out of his schedule and making the trip to do the delivery. These are the types of business that you need to support. These are the ones that support you.

Speaking of Gearheads helping out, we need your help one more time. The Bellevue Cruisers are sponsoring a toy drive at their last monthly cruise-in for 2005. This will happen on Oct 1st at the Bellevue Mall. Please take the time to head out there and bring a new, unwrapped toy to donate. The toy donations will stay in the local area as the Bellevue gang is supporting the 61st Ave. United Methodist Church in their annual toy drive. I know they can count on you. I'll see you there. Check out the event section for more info.

Make sure you check out the **COOL HAPPENINGS IN YOUR GARAGES...** section for a lot of new pictures and info.

Check out the photo gallery from this years Shades of the Past Rod Run. 2750 registered Hot Rodders were there. The weather was great. The whole event was great!! If you weren't there you missed it. Where else can you be a participant and have a chance at winning not 1 but 2 complete turn key cars!! They gave away, and you didn't have to have your cool ride there, just be registered, a 1963 Buick Rivera and a 1933 Speed Star roadster. Make plans to not miss next years show as they will be giving away 2 complete cars next year too!!

Just a reminder, if you want to be part of the Kris Kringle Car Show Nov 5 & 6th at the Williamson Ag Expo center, contact Tom Akers at the Bellevue Cruisers. See more info in the event section.

As many of you know, my partner Paul Shauck and myself have been working for quite a while on putting together a NEW Full Service Hot Rod Shop, known as HOT RODS & THREADS. Well it's taken longer than planned, more \$\$\$ than budgeted and a lot of other stuff that have slowed us down. We were probably over ambitious with saying we would be open in May/June 05 timeframe. The good news is, we're looking at a "soft opening on Oct 14th!!! We have to go thru the Proper channels with the County Zoning folks and should be complete on Oct 13th. We will have a Grand Opening Day shortly after that. Stay tune to the Gazzette for that info.

Check out www.ahrf.com, the American Hot Rod Foundation website. This new website is all about helping preserve the history and legacy of Hot Roddings early days and pioneers. While not all of the Gearheads are into the pre-48 rides and this site is primarily dedicated to that type of car, Hot rodding as we know it today, whether pre-48, post-49, trucks, low riders, etc, it can all be traced back to the early pioneers who started this thing called Hot Rodding. Check it out.

Check out the new Gearhead Friendly business we added to the list this month.

Final thought...per the government on Thursday nite Sept 15th, all the New Orleans area refinery's are on line, the pipelines are at 100%, more oil available from Venezuela and the strategic reserves, but yet the prices are still 40cents a gallon higher than pre-Katrina!!! One of the oil Companies is trying to figure out how to explain 1.8 BILLION in profits (after all the bills/taxes/wages/etc including the CEO 18million wage are paid) for the 2nd qtr. Can you say they got what we wanted!!! Oh well, we'll pay at the pump.

Until next issue, keep it between the lines...

JimmyB

COOL HAPPENINGS IN YOUR GARAGES...

Recently seen at the new Hot Rods & Threads Full Service Hot Rod Shop...

Kris Henderson's 59 Jag. This is the one you read about in HOT ROD magazine that went over 180mph at Maxton N.C Land Speed Racing course earlier this year. What a sleeper!!!

Curt Gibbs recently stopped by on a couple of different times with 2 of his very "COOL" rides!!

Brad Thomas's 1932 Ford Phaeton. It's got a blown Pontiac motor cranking 600 HP. It also is sporting one of Brad's custom fuel injection units (check out the business section for more on the F.I. set up) on top of the blower!!! Too Cool!!!!

Hot Rods & Threads is tentatively scheduled to open mid-October. Watch the Gazette as well as other publications for opening announcements and when the Big Grand Opening festivities will happen. Plan on attending now!!!

Congratulations go out to Wes & Sharon Littrell on taking the HOTTEST ENGINE AWARD at the recent NOPI show down in Atlanta. They won the award for their AWESOME Mustang. This award was for ALL American cars there. Initial reports have the car count at 10,000 plus for this event. This is 1 Slick ride and will be displayed at SEMA this year.
