"IT'S ALL THE **GEARHEAD** NEWS YOU CAN USE"

VOL No. 6

FEBRUARY 2006

ISSUE No. 2

EDITOR: JIM BRANDAU PUBLISHED: WHENEVER I CAN DO IT OR ONCE A MONTH MOST OF THE TIME

## ROAD RUMBLINGS...

### Hey Gearheads,

If you noticed a change in the **GAZZETTE** header, you were not going crazy. Instead of using the date the issue goes out, we've switched to a monthly heading format. We'll get the **GAZZETTE** out each month and continue to use the website and notices for any hot news between issues. So there will be no January issue as that issue actually came out at the end of Dec.

**How bout' them prices** on the BARRETT-JACKSON auction in Jan. Where does the \$\$\$ come from?? How long can this type of buying go on?? It sure is interesting to watch though and see all those nice rides go across the stage. Check out [www.BARRETT-JACKSON.COM](http://www.BARRETT-JACKSON.COM) if you missed any of the sales for final prices. Better be sitting down!!

**Rumblings out of Columbia Tn** are getting stronger on a "BAD ASS" nostalgia 56 Chevy gasser going together. This one is going to have a straight axle and the full tilt 60's look, with an OLDS motor in it that will run!! Stay tuned for more on this one. The WEBB boys up in Cincy Ohio will want to see this one!!

**Speaking of "BAD ASS"** Paul & I got a chance to ride in Kris Henderson's 59 Jag with the new big small block minus turbo's. Talk about TORQUE!!! This one gets with the program and it isn't totally dialed in yet. WOW!!

**Just a reminder for all of you** who go to the Shades of the Past run each fall. Don't forget to send in your registrations early to be eligible for both car drawings. This year it's a done 32 roadster & a done 63 T-bird!!! Turn key gang. Now which one do I pick...HMMMM

**While at the Frosty Wheels** show earlier this month, talked to one of the Murfreesboro Hot Rod Club(MHRC) members about the Friday nite cruise scene. Seems as the Stones River Mall said they need to find another home!! They are in process of trying to locate a lot that will hold 600 cars on a Friday nite. Stay tuned to the **GAZZETTE** for that location when it becomes available.

**Speaking of FROSTY WHEELS 2006**, it was a great time. We saw a lot of the GEARHEADS, Gary Falls and his too cool sm blk Chevy powered 5-10, Mark & Rhonda Delk and their fresh for 2006 1969 BOSS 302 Mustang(you need to see the paint job on this one!!), George Ross, Steve Watson, Tom Akers and all the Akers GEARHEADS, and many others checking out the show. John & Sue McGee did a GREAT job making sure the show car folks as well as the vendors were well taken care of all weekend, from move in to tear down. If you missed the show we'll have the pictures in the photo gallery at [www.gearheadgazzette.com](http://www.gearheadgazzette.com) in the next few days. Check them out!!

**Speaking of George Ross**, it was witnessed, after a car that he painted last year(the black MG) won the BEST PAINT AWARD, that George couldn't get his swollen head in the MG to drive it back to the shop. Thank goodness it was warm and he could drop the top so his head would fit above the window. Surprising how his ball cap even fit, even though it was on the very top of his head!! Congrats George!!

**Check out [www.hotrodthreads.com](http://www.hotrodthreads.com)** and go to photo gallery. Finally all the photos from the Grand Opening are up and ready to view.

**Speaking of Hot Rods & Threads**, did you get a chance to see the article in the Franklin Review Appeal, Spring Hill & Thompson's Station Journal & the Brentwood Journal? A very nice article on 2 pages with some cool photos. Yea we got our 15 minutes of fame and we're proud of it!!!

**Here's some hot scoop.** Both B. Coddington wheels and AMERICAN RACING wheels supposedly got bought out by a very big company. The source is good so I would say it happened late last year. More to come on this.

**Hunter Custom Auto annual car show** is coming up in March. Talking to John Richardson, Show Co-Chairman they heard the feedback last year and the year before. TOO MANY MINI-TRUCKS and imports!! John says they are taking the show back in the Hot Rod,

Street Rod & Muscle Car direction. Sounds like Bobby Alloway will have some of his latest creations at the show along with some pretty cool rides from the local area. If you want to show give them a call at 615-227-6584. This should be a better show for sure!! See ya there.

**Speaking of car shows**, while I did not attend personally, I got a lot of feedback on the Nashville Autofest Show. Lot of folks complaining on paying \$10.00 for a less than good show. Sounds like I saved \$10.00!!

**Indoor 2- or 3 day car shows.** Why not do the awards on Saturday afternoon?? Makes it easier at move out time. It also allows the spectators (those who come after trophy time) to see who won what. The entry's can't go any where until the doors are open so it aint like the car owners are going to pick up there display and run. Think about it. The judges could do their thing on Friday / Sat until 2pm and award at 4pm Sat afternoon.

**I'm on the soap box a little here.** I asked for feedback on a potential run in Mid March. It's in this issue of the **GAZZETTE** again this month. Not 1 person and there are a whole lot of you who get this, sent anything back. We all complain about runs and they ought to do this or that. When you get a chance to give input and ideas, you sit back and say nothing!!! ARRGGHHH Sure makes it hard to plan an event for you with out any info from you. Maybe we ought to scrap the idea?? What do you think??

**Oh yea**, check out the event section. Just look at all that stuff to do!! Choices, choices....

Until next issue, keep it between the lines....
