

GEARHEAD GAZZETTE

"IT'S ALL THE **GEARHEAD** NEWS YOU CAN USE"

VOL No. 6

MARCH 2006

ISSUE No. 3

EDITOR: JIM BRANDAU PUBLISHED: WHENEVER I CAN DO IT OR ONCE A MONTH MOST OF THE TIME

ROAD RUMBLINGS...

Hey Gearheads,

WOW!!!! Where did February go to??? It sure did fly by.

Sorry I am running late on this issue of the **GAZZETTE**, but see the above for why. Ha!!

The Stones River AACA gang had a great day and a great turn out for their annual swap meet. More than a few folks came from a far away location (East Tn just to mention some folks) to check things out and see what they couldn't live without. It was good seeing lots of the GEARHEADS out at the swap meet!!

A bunch of us were talking that it seemed like not much "stuff" was being carried out the doors. Just lots of lookers. Could be the pricing you know. Based on what we saw, you could buy new or Repo for the money that a lot of folks were asking for their "old" stuff. Key point here...unless it's so rare you have the only 1(why would you want to sell it then) drop your prices and you won't have to carry your junk home. Someone else will carry it to their home, while you carry the dead presidents to your wallet. My rule of thumb is, if it ain't 50% or less of new price, walk on by. Just for the record...I did buy 4 tires for the old work truck at less than 50% of new, with good rubber on them. See...it can be done.

The Cruise Nite info has started to come in. Check out the "**COOL CRUISIN**"

section so you know when what kicks off. Speaking of Cruise Nites, anybody out there heard when or if BACK YARD BURGER is kicking off this year??

Make sure you check out the "**WAY COOL STUFF TO DO**" section. Lots of show info coming in. Remember, we put up info for appx 2 months out. If you don't see yours here it may still be coming up. Make sure we have the info by e-mailing it or snail mailing it to the **GAZZETTE**.

Don't forget that **Hunters Custom Auto Show** is coming up here in a week or so at the Fairgrounds. Get out of the house and check out some really cool rides. Bobby Alloway will be bringing some of his latest creations to the show. You know the ones you've seen in the magazine and want to see up close in person. Now when you go to the show, take a kid with you. We have to grow the hobby and that's one of the best ways to get the "Young Guns" interested. Cant start them out too early you know.

In the "**WAY COOL STUFF**" TO DO" section, you may or may not notice that the Reliability Run event that was trying to be planned was pulled. Reason being...we only got feedback from 1 person. To that person, thanks for trying to help. Gang without your feedback it's hard for the folks that want to put on a event, to know what you would like to see or if it's worthwhile doing. This could have been a really cool deal...but it's dead now.

We got a special request from both Stan Hardcastle of the Music City

Mopar club and Tom Akers of the Bellevue Cruisers to help out with some school children. Susan Surbaugh (615-794-7666), who teaches with the Franklin Tn Special School Dist. is looking for any and all old trophies you might have laying around. She teaches children with learning difficulties. The kids are thrilled when they receive a trophy for recognition of just about anything. Now all of us have complained about those old "dust collectors" we have all around the house or shop and how it would be great to get rid of them. Here's your chance to do just that and make a child very happy and help with their education. If you have any old trophies of any kind that you want to get rid of (you know you do) get a hold of Stan Hardcastle at 615-794-4204 and he will collect them and get them to Susan Surbaugh at the school. Stan lives in the Franklin area so drop off will be easy.

Enuf of me rambling for now, here's the good stuff you've been looking for.

Until next issue, keep it between the lines....

Jimmy B.

As always, if you want the **GAZZETTE** direct instead of forwarded 2nd hand, let us know. All you need to do is send me an email at gearheadgazzette@aol.com. You can also always check out the current issue of the **GAZZETTE** on line at www.gearheadgazzette.com in case you erase your copy and need to see it again

"Remember...we're here for a good time...not a long time...Enjoy the Ride".
