## ROAD RUMBLINGS...

Hey Gearheads,

Well its cruisin' time in Middle Tn...YEAH!!!! The cruise nites have kicked off with some yet to get started.

Heard from some folks that went to The Bellevue Cruisers season opener, as well as Tom Akers from the Bellevue Cruisers. They had a little over 160 cool rides come out to the kick off.

I personally went to the 1<sup>st</sup> nite of the Back yard Burger cruise on April 15<sup>th</sup>. I have to say some disappointment as there weren't many rides there...maybe 40-50 if that. I had a lot of folks that were there tell me the only reason they knew about it was because I had it in the **GAZZETTE**, as no advertising or even any promo on the BYB sign was done. Went back this past Sat nite to give it another shot, but it wasn't much better...maybe 80-90 rides. No music/band or anything. What's up with that???? Weather was great too. Stay tuned...me thinks more to come on this one.

With great anticipation, it sounds like a lot of folks are looking forward to the Murfreesboro cruise getting started on May 5<sup>th</sup>. Everybody was asking each other if they were going or not.

We have some new updated info, courtesy of John Ortwein of the MHRC. The club is really trying to do its best with the space they have been allotted/allocated to use at the new location. The Friday Nite Cruise will now be open to all makes and models with NO restrictions other than there are 430

spots available. If you need any other info on this one, check out the "**COOL CRUISIN' FOR 2006**" section of the **GAZZETTE**.

For all the other Cruise nights going on that we haven't made it to yet, send us some info and we'll let everyone know how your cruise is going.

I heard the Hoodlum Alley gang had a great turnout for the Friday nite cruise. Sounds like everyone had lots of fun and lots of cool rides to check out. Unfortunately there was an accident. Apparently some person with less brain matter than is required to operate a car, decided to do a burnout in bumper to bumper cruising traffic. OOPs the throttle stuck (note check your equipment out before you lite them up!!) and he proceeded to drive under a newer Chevy pick up truck. Truck didn't get a lot of damage but enough to tell it was rear ended. The "Genius" was pretty tore up and a few feet shorter going up on the roll back while he was talking to the police to explain why you do a burnout in traffic. Now don't get me wrong or think that I haven't done my share of burnouts...I have. There is a right time and place for it versus jeopardizing lives and property. Think before you stab the loud pedal...please. I hope this incident doesn't goof up a great deal.

How about those gas prices...or should I say profits...OUCH!!!!

I have talked many times about taking a kid to a car show. The future of this hobby depends on us growing it with younger folks than us. We (HOT RODS & THREADS FULL SERVICE HOT ROD SHOP) recently had a Tiger Scout troop come to visit. This was in advance of the Pinewood Derby. In the **COOL HAPPENINGS IN YOUR GARAGES...** section of the **GAZZETTE**, you'll see the hard work of Benjamin Weaver of Tiger Scout Pack 8. He liked what he saw at the Hot Rod Shop and came up with his entry...flames and all. We're pulling for him. We'll let you know how he does in a future issue. Go Benjamin!!!!

Normally the **GAZZETTE** runs shows about 2 months out or so. This issue has most of the bigger multi-day shows listed, that folks go to, so you can plan which one(s) you want to go to. Lot of choices...Enjoy!!!!

Until next issue, keep it between the lines...

*Jimmy B.*

As always, if you want the **GAZZETTE** direct instead of forwarded 2<sup>nd</sup> hand, let us know. All you need to do is send me an email at [gearheadgazzette@aol.com](mailto:gearheadgazzette@aol.com). You can also always check out the current issue of the **GAZZETTE** on line at [www.gearheadgazzette.com](http://www.gearheadgazzette.com) in case you erase your copy and need to see it again.

"Remember...we're here for a good time...not a long time...Enjoy the Ride".
