ROAD RUMBLINGS...

Hey Gearheads,

Sorry this issue is late coming out. Been a little busy these past couple of weeks.

As everyone knows by now...I Hope, the hard working gang at the Murfreesboro Hot Rod Club(MHRC) finally got to kick off their 2006 Cruise season on May 26th at the new location. Check out the **COOL CRUISIN** section for how to get there from where you live. They had a good turn out at 225-250 cool rides based on the club's count. This is great considering the on again - off again situation they had to go thru. Also, Mother Nature didn't help with rain and storms in the forecast. It turned out dry and calm in the Boro'. The Cruise is sure to grow fast, back to the 400-500 range once the word gets out. There is shopping and food joints and fun to be had by all. Get out on a Friday nite and have some fun and support these folks. This takes a lot of work to do each week. Great Job MHRC!!!! Thanks for keeping after it until you got it done.

As I said last month right here, as a hunch, the Back Yard Burger Cruise on Sat Nites in Franklin will probably be moving pretty soon. As soon as they get the new location finalized up, we'll let you know where you will be able to cruise at. I believe your gonna like it!!!

The Bellevue Cruisers are not going anywhere with their 1st Sat of the month Cruise at the Bellevue Mall. In fact June's Cruise is on June 3rd... Be There!!!

The point to all this is, putting on these and the other cruise nite activities, takes a lot of work...PERIOD. It also takes a lot of dedication. I'll say this also and it may tee some folks off, but it tends to be the same small group that does all the work. All the club members want to take credit for putting on a "Cool Deal", but when it comes time to standing out in the heat, they back

up and no show or show up late. Yes they can use some help of other club members or cruisers, so pitch in and help out. When you go to the cruise nites, go up and thank the folks putting it on and let them know you appreciate what they are doing.

Speaking of Cruise nites, there is another Saturday nite cruise being put together in the Spring Hill Tn area. More details to come, but it's a pretty cool location. I believe this one will come together in the next few weeks so stay tuned for more info.

With all these places to cruise at, why not check them all out during the summer. Sure it's easy to go to the "close one" but that can and usually does get boring. That doesn't mean the Cruise is bad, it's just that you see the same stuff all the time. All of the cruise nites listed here are within an hours drive probably from where you're at right now. Why not take your "cool ride" out of the garage and here's a novel idea...DRIVE IT to a different cruise nite. You'll see some rides you've never seen before and meet some people and maybe make a new friend or 2!!!

Watch your e-mail and the **GAZZETTE** website for some informal group cruises to different cruise nites in the area. We could meet up at HOT RODS & THREADS HOT ROD SHOP and head out for some CAR-USIN' FUN. Think this would be fun??? Will you participate??? Send me back an e-mail and let me know if you're in.

June is one busy month for car shows and other activities. 5 big ones all within a 5-6 hour ride depending on where you're at. You have the Riverfront Rod run in Paducah. Goodguys at INDY. The HOT ROD Reunion in Bowling Green KY, Tennessee Cruizin Nationals in Nashville and the 1st Annual Nashville Nationals by Goodguys right here in Music City!!! Back in April, according to the Goodguys rep, there were over 1400 pre-entries!!! Gonna be a good time. If your

ride is 1972 or earlier and you miss this show, you're gonna miss a good time and maybe some magazine/TV coverage for you heavy hitters out there.

Speaking of HEAVY HITTERS, we have some TV stars here locally in Gearhead Land. Gary "Real Truck Man" Falls had his killer S-10 in the RTM studio's for about 3 weeks. Talk about sucking up!!!! Seriously Gary's truck is gonna be featured on "TRUCKS" on Spike TV. The feature will run on June 3rd @12:30PM and June 4th @11:30am. Check out some of the photos from that deal here in this issue.

Also we have more TV stars in our midst. Mark & Rhonda Delk, had their ultra cool 1969 Boss Mustang running thru the paces for the RTM gang for a feature to be shown later in the year. Sounds like that one will show on the "Musclecar" show on Spike TV. Congrats to both of y'all for hitting the big time...you earned it!!!

When you think of it, it is a really neat deal that RTM productions is located right in Franklin Tn. They are real down to earth guys and gals based on all accounts, not some stuffy Hollyweird types. Plus they pull from the local car scene for material. Who knows, maybe they'll do a small segment on a really cool Hot Rod Shop out "In The Grove" one day. It's ok to dream...right???

Until next issue, keep it between the lines...

Jimmy B.

As always, if you want the **GAZZETTE** direct instead of forwarded 2nd hand, let us know. All you need to do is send me an email at gearheadgazzette@aol.com.
