ISSUE No. 7

EDITOR: JIM BRANDAU PUBLISHED: WHENEVER I CAN DO IT OR ONCE A MONTH MOST OF THE TIME

ROAD RUMBLINGS...

Hey Gearheads,

Sorry this issue is a little late since the month has started already.

Did you have a chance to make it up to the NHRA HOT ROD Reunion show?? If you didn't you missed a good one. More cool rides than ever. Yea it was a little hot and humid (little my butt!!) and we got a little rain on Saturday evening, which helped cool things down a little (gotta look positive at it). Overall it was a really cool show. Cant get enough of "CACKLEFEST" on Sat nite. Just something about all that Nitro in the air....AAAHHHHH!!!! Don't miss it next year!!! Special thanks go out Dan Heichelbach and Gary Miller who had a big BBQ for a whole bunch of the Gearheads that were at the show. They did this last year and it went over big so they thought why not....do it again. Thanks guys...it was great!!!

GOODGUYS Nashville show was a big success from all we hear. Talking to some folks who were working with the Goodguys gang, sounds like the GG gang were very pleased and plan on coming back next year. The dates are June 29, 30 & July 1st. You heard it hear 1st (well maybe). The show was a real surprise. A lot of folks didn't know that the stadium had that much room (2200-2400 rides - my guess as well as others) to hold all those cool rides.

There is room to spare for growth also. Lot of cool rides that I hadn't seen before. Looks like a winner if you ask me. Getting in and out was pretty easy too.

TV STARS UPDATE: On July 8 & 9, Mark & Rhonda Delk's really cool 1969 BOSS 302 Mustang will be featured on Spike TV's Muscle Car show. Check your local cable/TV provider for exact times.

Speaking of stars in the area, check out the new issue of Rod & Custom Magazine. The feature on the LONESTAR Roundup in Austin TX features Greg Shouse's too cool Buick.

Some Cruising news updates.

The cruise in Franklin TN at Back Yard Burger goes on. Talking with Robbie Pritchard who helps coordinate this one, he says they will be staying at BYB and that BYB has reconsidered and will help out on some of the entertainment on Saturday nites. Get out and check out this cool Saturday nite cruise.

The Cruise on Friday nite in Murfreesboro keeps on drawing great crowds. This past Friday (June 30th), even though it rained for a while (I chickened out myself) they pulled 200 cars. If you haven't been out on Friday nite yet you are definitely missing it.

I did check out the July edition of the Bellevue Cruisers, 1st Sat nite of the month Cruise in for July. They had over 150 rides with more coming in. This even though it was damn Hot!!!

With the PEPSI 400 on TV. Don't miss this one in August.

Check out the **COOL CRUISIN FOR 2006** section for more info on the gang in Columbia Tn Cruising on the 2nd Sat nite of each month thru Oct. They get together at Sam Hills in Columbia for a really good time.

Check out the events section as there are a whole lot of new shows and events for you to go to.

Talking to one of the Big Time magazine guys at the GG Nashville show, we were discussing winning an award, something that some folks live and die for. Major crisis if they don't. Anyway we were talking about how cool it is to get thumbs up sign from someone, while you are cruising down the road. That's better than 10 trophies in my opinion. Oh by the way, the thumbs up is easier to keep clean too, as you don't have to dust them off either!!!!

Until next issue, keep it between the lines....

Jimmy B.

As always, if you want the **GAZZETTE** direct instead of forwarded 2nd hand, let us know. All you need to do is send me an email at gearheadgazzette@aol.com. You can also always check out the current issue of the **GAZZETTE** on line at www.gearheadgazzette.com in case you erase your copy and need to see it again.
