ROAD RUMBLINGS...

Hey Gearheads,

Hot enuf' for ya gang??!!!! Like livin' in an oven some days.

In case you didn't know, the NSRA Nats South in May had 3100 plus pre-48 rides.

GOODGUYS Nashville show was a big success!!! Based on info from GOODGUYS, they said they had just shy of 2000 cool rides show up at LP field!!! They are very pumped up over the turnout and are coming back next year. The dates are June 29, 30 & July 1st. Get your early entry sent in now and save some \$\$\$.

Speaking of Nashville
GOODGUYS SHOW... on the 7/22 & 23 edition of MUSCLECAR on Spike TV, some of the local Gearheads were featured in the story on the Nashville GG show. Greg Shouse was looking good in his Buick cruising around, and Brian Baker had them drooling over his 69 Torino, which he fired up for the cameras. Naw his arm aint broke!!! Richard "Beaver" Hellis' killer 40 Willys was seen on screen as was Marc Kosiba's slick 48 Chevy Pick Um Up. Even I got a little TV time when they were filming Marc's truck you could see the back end of my ride too.

There is a new cruise nite going on in Music City. I sent out a special notice on this earlier in July. The Tuesday Nite Cruise In at Hooters in Rivergate. Check out the **COOL CRUISIN'** section for more details. If anyone has gone how about sharing some info on how it is and pictures if you got them...of the cars of course!!!

Speaking of cruise nites, The Murfreesboro gang continues to pull in big numbers of cool rides. July 7th they had over 360 rides show up. If the rain and high heat would stay away from Friday nites they will no doubt have over 400 rides show up.

Talking to some of the Gearheads that went down to Athens AL for the BIG Tennessee Valley car show at the Delphi Plant down there, they tell me they had 900 rides at that show. This one grows every year. Doug and his team do a heckuva job making it better each year.

The Bellevue Cruisers will have their monthly cruise-in on August 5th. At the Cruise, Tom Akers who puts on the Kris Kringle Car Show in November, as part of the BIG Christmas Arts & Crafts fair at the Williamson County AgExpo center, will be checking out rides for this years invitational show. If you've never been, you may want to come by and see Tom. The show is pretty cool and is only 2 days long with setup on Friday nite. Participation is limited to about 60 or so rides, so get out to Bellevue on Aug 5th and you may get invited to the Kris Kringle Show too!!

Here goes a little shameless self promotion. As many of you know, for 12 years I coordinated (with a great team of volunteers) the **"BRING IT OUT OF THE GARAGE"** car show. This show was held in Spring Hill at the UAW Union Hall in the beginning of Oct each year. The car show was part of a huge Fall Festival which included a big Arts & Crafts show and entertainment for the kids too. Truly a

family day. Due to a number of reasons, the show was not held last year (I know a lot of you were bummed on this as you called or told me so) or is planned to be held this year. **NEVER FEAR GEARHEADS!!!!** This year the LIONS CLUB in College Grove Tn has stepped up and will be hosting a festival called **"CRUISIN THE GROVE"**. This will all happen on Saturday Oct. 7th. It will have an arts & crafts show, entertainment for the kids and....TA DA...The **1st Annual "CRUISIN THE GROVE MOTORSPORTS EXPO"**. We have got some sponsors already on board and we are well into the planning and preparation stages. The show will follow what we were doing with the **"BRING IT OUT OF THE GARAGE"** show, that based on all the feedback we got, was very well liked by you GEARHEADS. I am counting on seeing all of you Gearheads at this show and you need to share this with all your friends and tell them to come on out and have some fun. Check out the show info in the events section.

We had 227 entries at the last deal in Spring Hill. I am counting on all of you to help us break that number by a bunch!!!!
WERE GONNA HAVE SOME FUN!!!

Until next issue, keep it between the lines....

Jimmy B.
