ROAD RUMBLINGS...

Hey Gearheads,

Well Spring has sprung and that means warmer temps. Warmer temps means the Gearheads are getting those cool rides out. I have seen more than a couple of rides out on the highways and by-ways. Keep it up and for those who haven't taken their ride out on the road...DUST IT OFF & GET EM' OUT ON THE ROAD!!!! This deal called COOL CARS is about driving them, not transporting them from a garage to some other location via a trailer, and them back to the garage after showing off the "perfect car". While no one likes them, little nicks in the paint and bugs on the paint are badges of honor, cause you're drivin' your ride!!! Have some fun.

For those of you who missed getting over to the HUNTERS Auto Expo 2006, you missed a pretty good show. There were a lot more Hot Rods & Cool Muscle cars and Trick Trucks, vs. the overly large number of import mini-trucks and tuner cars of years past. The show is only as good as those of us who bring our rides out to display. Congrats to John Richardson & Linda Freund at Hunters for putting together a great show. It takes a lot of hard work and many hours to put together a show of this size for 3 days.

Speaking of the Hunters show, a lot of the Gearheads were out checking out the rides or showing off their own COOL RIDE. Congrats go out to Mark & Rhonda Delk on winning their class and winning BEST PAINT from MOTHERS POLISH. Bob Steel took 2 awards for his 1923 T-bucket and his SALEEN Mustang. Gary Falls got some gold with his TOO TRICK TRUCK as well as Sharon & Wes Littrell winning with their Mustang and taking the award for BEST EXTREME RIDE in the show. I know there

were a lot of other Gearheads who won, but I'm running out of room here this month. Congrats to ALL THE WINNERS...you did a great job!!! Check out the photo's from the show at www.gearheadgazzette.com in the Gallery section. If you have a photo or 2 you want to add, send it here to the **GAZZETTE** in jpg. Format and we'll get it posted.

Got some updated info on the Friday nite Murfreesboro Cruise Nite, from John Ortwein of the MHRC. The Friday nite cruise will be held in the parking lot in front of Lowe's & Target, behind Don Pablo's restaurant. This location is located across from the Stones River Mall. You have to enter via the drive next to Ryan's Steakhouse. Space is limited, only 450 spots, and they may have to impose a cutoff of what year vehicle is allowed. They are going to use a 20 year old or older rule. So that means 1987 or older will be allowed in. Don't get mad at them. They have to work within the space given to them. Thank them for the hard work in making sure this killer cruise nite happens again in 2006!! For more info check out the "**COOL CRUISIN**" section of the **GAZZETTE**.

Talking about Cruise nites, the season kicks off in Bellevue & McMinnville this month on April 1st. Choices, choices...where to go??? Pick one and go whatever you do.

Speaking of Places to cruise, does anyone know or have you heard if the Cruise Nites on Saturdays at the BACK YARD BURGER in Franklin are going to happen this year. I have not seen any flyers or info of any kind and when I called BACK YARD BURGER on MARCH 16th, they said they knew of **no cruise nite happening this year** over there. HELP!!! If you know if this is going to happen please send me the info right away so

we can let all the Gearheads know what's going on and when it starts. If you know for sure that it's NOT going to happen, let me know that also.

Hunters is sponsoring the Annual NSRA Appreciation Day again this year on April 1st. Slide on over with your ride and check things out with Al Morton coordinating the activities along with the Hunters gang.

April 14th & 15th is the Hoodlum Alley big show and huge Friday nite cruise. Don't miss it. If you've never been, plan on it!!

While you're doing that spring cleaning in the old workshop, and you have an old car or truck you want to get rid of, remember to get a hold of the National Kidney Foundation. They will take your old vehicle off your hands and be able to help a needy person get the treatment they need. Click the link on the last page of the **GAZZETTE** to get a hold of them.

Welcome to the folks have started receiving the **GEARHEAD GAZZETTE** this month for the 1st time.

Until next issue, keep it between the lines....

Jimmy B.

As always, if you want the **GAZZETTE** direct instead of forwarded 2nd hand, let us know. All you need to do is send me an email at gearheadgazzette@aol.com. You can also always check out the current issue of the **GAZZETTE** on line at www.gearheadgazzette.com in case you erase your copy and need to see it again
