

GEARHEAD GAZZETTE

"IT'S ALL THE GEARHEAD NEWS YOU CAN USE"

VOL No. 7

APRIL 2007

ISSUE No. 4

EDITOR: JIM BRANDAU PUBLISHED: WHENEVER I CAN DO IT OR ONCE A MONTH MOST OF THE TIME

ROAD RUMBLINGS...

VAROOOM....RUMP RUMP...CHIRP CHIRP. All the sounds we are starting to hear as the Cruising and Car Show season get going here in April. With the warmer temps kicking in here in the Mid-South, more and more cool rides are coming out of the cocoons(garages) and showing off all their pretty colors and chrome and horsepower. I know for one I am glad to see it!!! If you haven't had yours out already, the only good excuse is that it doesn't have a motor in it and you don't feel like Fred Flinstone and foot power. I know I have had mine out and had a break down already(see story in the "Cool Happenings In Your Garage" Section). Get your cool ride out today and drive it and have some fun....thats why we have them right??!!!

Speaking of Cruising and Car Shows, check out all there is to see and do in our Mid-South area in the next few months...WOW!!! If you cant find something to do, we'll I don't know what to say.

The Cruising Scene in Franklin Tn is locked in now. If you come to Franklin to Cruise, head over to the SONIC Drive In, on Mallory Lane, across from Centennial H.S. The AACA Battlefield Region Club has taken over handling and organizing this cruise which used to be at Back Yard Burger & K-Mart. Back Yard Burger & K-mart didn't want the cruisers around anymore as has been related to me. Too Bad. Apparently they don't like the extra sales the cruising brought in. Thanks to

SONIC for stepping up and welcoming all you Cruisers. Make sure you let them know when you go. Check the "Cool Cruising Section" for all the details on this one, as there are some significant changes in when and how this one happens. Make sure and look over all the Cruise Nite Activities that are available for your cruising pleasure.

While some Cruise Nites run all year long, the cruising season really kicks off on April 7th with the Bellevue Cruisers. See ya there!!

Speaking of Bellevue Cruisers, Tom Akers of the Bellevue Cruisers Club, recently had his wife's bright red 70 Mustang filmed for Spike TV's Muscle Car show, "Muscle Car Flashback" segment. No show date yet, but when we hear we'll let you know so you can check it out.

Hunters Custom Auto Show happened on March 9-11. John Richardson & Linda Freund did a great job of putting together a great mix of cool rides for all us Gearheads to check out. I want to give some recognition to Terry Tuckerman, George Ross, Mark & Rhonda Delk & Donald Kincaid for winning awards in their classes. Special tip of the hat to Donald Kincaid for winning BEST CLOSED ROD at the show and Mark & Rhonda Delk picking up the GOODGUYS award for BEST MUSCLE CAR in the show. Congrats to all. It was good to see some of you Gearheads out at the show and catch up on whats been going on for a while.

Speaking of GOODGUYS, more details are coming out about things that will be going on at the Nashville Nationals at the end of

June. They are looking at more entries at the show this year, possible 2500 or more. They will also have Selection for "CUSTOM Rod of the Year" finalist going on. Bobby Alloway will have a display showing off many of the "TOO COOL" rides they have built in the shop over the years. Also, it looks like HOT RODS & THREADS Full Service Hot Rod Shop will be one of the stops on the Poker Run for the Nashville Nationals. Lots of fun coming up at this show!!

The BATTLEFIELD Region Club (Franklin Tn)of the AACA recently came out to HOT RODS & THREADS to visit as a club event. 30 plus folks with cool cars showed up, for a club event. It was a lot of fun having the club come out.

On a sad note, if you have not already heard, we lost a couple of "Gearhead"folks this month. Robert "Pete" Petersen, passed away. If you didn't know, he started HOT ROD Magazine and helped create this whole thing we call Hot Rodding. Also we lost Eric Medlin, who drove one of John Force's Funny Cars in NHRA. An unfortunate accident while testing a Gainesville Dragway took his life.

Until next issue, keep it between the lines....

Jimmy B.

As always, if you want the **GAZZETTE** direct instead of forwarded 2nd hand, let us know. All you need to do is send me an email at gearheadgazzette@aol.com. You can also always check out the current issue of the **GAZZETTE** on line at www.gearheadgazzette.com in case you erase your copy and need to see it again

"Remember...we're here for a good time...not a long time...Enjoy the Ride".

COOL HAPPENINGS IN YOUR GARAGES...

SEND THE PICTURES AND INFO ON YOUR RIDE OR YOUR FRIENDS RIDE AND WE'LL SHOW IT OFF RIGHT HERE!!

Here ya go Gearheads, another cool destination to go to that will help satisfy your need for GEARHEAD Stuff to do. There is a new Classic Car Museum recently open in Eddyville Ky. Our GEARHEAD buddy Gary Falls spotted this place and checked it out on a recent business trip thru Kentucky. I am sure he wasn't on the clock (wink wink) checking this out. Thank you to Gary for sending the info along on what looks to be a pretty cool place to check out. How about a GEARHREAD Cruise up to this place on a Saturday or Sunday. Nothing formal, just meet and boogie up the road and make a day out of it?? The place is called the LAKE BARKLEY CLASSIC CAR MUSEUM. Located right at exit 45 off I-24 in Eddyville Ky. Appx 120mile from Franklin Tn. They are open Mon – Sat 9am – 6pm and Sun from 12noon – 6pm. There is a “General Store” type restaurant located next door. Gary says after talking to the owner, there may be a spring cruise in up here. When we hear about we'll pass it along. If you want to contact the museum you can call 270-388-1962.

Well the “cool car gremlins” bit me (your ol' editor) the other day. After a great day at the Hot Rod Shop, having had the Battlefield Region AACA guys visiting, it was time to “head to the house” as they say. Since it was such a nice day and we were having company at the Hot Rod Shop, I decided to take my 57 Chevy Truck to the shop. All was fine until the ride home. Spit...Sputter...Cough...Wheeze...and then it's dead on the road!!! Culprit...electric fuel pump that chose to expire at that point in time. After a while, got the ol' truck to the house for repairs. The picture kinda speaks for it self....2 road kills. Ha!!!
