ROAD RUMBLINGS...

Lot of "stuff" to get to so let's do it!!!

Just want to say welcome to all the new GEARHEADS that are now getting the GAZZETTE direct mailed to them. Enjoy the ride.

Response has been good from Car Clubs for the new section highlighting them. If you want your club listed it's free and all you have to do is send me the info. How can you beat that??

If you had your ride at the recent GOODGUYS Nashville Nationals check out the Goodguys website(www.goodguys.com) under the events tab, and click on the Nashville link. You may see your ride there like Mark & Rhonda Delk and Bill Johnson did!. Also if you check out www.hotrodhotline.com there are many folks who sent in pictures from the Nashville show also. Enjoy!!!

Some new cruise nites have started. Check them out at Columbia Tn, Hendersonville Tn and Murfreesboro Tn., as well as your favorites. All the info is in the **COOL CRUISIN' FOR 2007** section.

Just a reminder that the BELLEVUE CRUISERS monthly fun with cars nite is happening August 4th. While you're there get a hold of Tom Akers if you're interested in having your "too cool" ride in this years edition of the KRIS KRINGLE Car show at the Williamson County Ag Expo center. That show happens on Nov

10-11th and it will be here before you know it.

A LOT OF NEW SHOWS are listed this month in the **"WAY COOL STUFF TO DO"** section. It's going to be hard on some of the days to figure out where to go. Got 2 cars...double your fun!!

For August a couple worth mentioning are the "BIG ONE" in L'ville from NSRA. 11000 plus rides....thousands of people...hot weather...what more can you ask for. The gang in Evansville In is hosting the Frog Follies again this year. Where else can you go and have that much fun around a lily pad!! If you're into 32 FORDS(aren't we all??) the Big Duece Doin's up at the Henry Ford Museum in Dearborn Mi. is happening also. Don't miss this one, cause it aint gonna happen again!!! Locally the Williamson County Fair will be holding a car show as part of the Fair. The Battlefield Region AACA will be coordinating and judging the show again this year. You can show off your horsepower while checking out the real hayburners!!!

From our roving reporters in the field, John Creveling & John Ortwein the SOMERSET Power Cruise was a huge hit. Appx 115 rides left Nashville Sat morn for the Bluegrass state, meeting up with appx 300 out of Cincy Oh and appx 200 out of Knoxville Tn. Weather was warm/hot but no rain. That explains why 1843 rides showed up on the square in Somerset for this cool event. Thanks for the info John & John.

From Jeff Hatten & Dan Ernst & the gang they cruised up to the GOODGUYS

Nationals in Columbus Oh, the weather was perfect for a saw. That's why 7000 GEARHEADS came out to have a good time. Rumor has it that some of the "older Gearheads" had jackets on on Sat morning cause it was chilly!!!

Sounds like the BARRET-JACKSON annual BIG ONE in Arizona may be moving to Las Vegas next year. The B-J team wants a permanent structure vs the big tent and Westworld and the city say they cant do it. Nothing final but more than a couple of Vegas Hotels are ready to give them what they want. Can you say BIG BUCKS talk!!!

Check out the **COOL HAPPENINGS IN YOUR GARAGES...** for cool rides and stuff.

Have you checked out the new show, HARD SHINE on TLC cable channel yet?? HARD SHINE is pretty cool with Jimmy Shine of SO-Cal Speed Shop fame helping 5, now 4 wanna be Hot Rod Builders learn the Biz and how to's. Go ahead...admit it, most of us wish we were there too!!

Terry Tuckerman wear your glasses at the shop so you can turn the alarm off without the Sheriff showing up to arrest you for B & E!!!!

Until next issue, keep it between the lines...

Jimmy B.

As always, if you want the **GAZZETTE** direct instead of forwarded 2nd hand, let us know. All you need to do is send me an email at gearheadgazette@aol.com. You can also always check out the current issue of the **GAZZETTE** on line at www.gearheadgazette.com

"Remember...we're here for a good time...not a long time...Enjoy the Ride".
