ROAD RUMBLINGS...

Merry Christmas Gearheads!!!

Well here it is almost Christmas and I am just getting this months issue out. Sorry for the late edition, but its been busy around the **GEARHEAD GAZZETTE** office this month...HA!

I want to give some recognition to Mark & Rhonda Delk. They were in the running for GOOD-GUYS Street Machine of the year award for 2007, with their 1969 BOSS 302 Mustang, having been selected at the GOODGUYS Nashville Nationals. Unfortunately they did not get picked, but they were part of the BEST OF THE BEST, this year in the GOODGUYS WORLD. Congrats for getting as far as you did.

If you missed the KRIS KRINGLE show in mid-November you missed a fun show with some really nice rides in it. Weather was great and the Gearheads even better. Thanks to all of you who stopped by the HOT RODS & THREADS booth and said hi. Tom Akers and his team did a great job selecting so many different cars/trucks to fill the place up. Move in and out went really smooth too. Look for this one to happen again next year.

Make sure you stop out at the Williamson County AgExpo center Jan 4-6th, for the annual edition of the Frosty Wheels car show. Located at exit 61 off I-65. John & Mike and their whole team, turn the Expo center into a CAR BONNANZA. You've got the show, swap meet, car corral and much more. Stop by and check it out.

Check out the new website link for Williams Graphics we have listed, (www.larrywilliamsgraphics.com). Our good friend Larry Willams finally got his website up and working. It has some really cool artwork on display, like the little Christmas artwork featured here in the **GAZZETTE** this issue. It's worth the drive on the ol' electronic superhighway to check it out.

In closing out the last issue for this year, I want to wish each of you who take time out of your busy

schedules, to read this little publication, a VERY MERRY CHRISTMAS. I hope that the North Pole Gearhead, puts lots of Go Fast / Look Cool parts under your Christmas Trees and fills your stocking with gas coupons & cards, so you can keep cruising with the "GOOD STUFF" in your tank all summer long next year. My wish is that you and your families & friends have a Merry & Blessed Christmas this year. Always remember the "reason for the season" and it aint toys and gifts. God Bless you all, and to all a "Good Nite"

MERRY CHRISTMAS!!!!

Until next issue, keep it between the lines...

Jimmy B.
