ISSUE No. 4

EDITOR: JIM BRANDAU PUBLISHED: WHENEVER I CAN DO IT OR ONCE A MONTH MOST OF THE TIME

ROAD RUMBLINGS...

Greetings GearHeads,

WOW!! What an issue you have in front of you. It is loaded with shows and cool stuff to do with your rides. Let's get to it.

CHECK OUT THE **COOL CRUISIN FOR 2008** section for all the NEW Cruise Nite info that has come in. Lots of places to go have fun with your ride. You can almost cruise every nite of the week if you want.

Speaking of cruising, the Bellevue Cruisers kick off their season for their 1st Sat nite of each month cruise on April 5th. Check out Tom and gang at Bellevue mall. Check out the info in the CRUISE section for the new entrance for the cruise due to construction at the mall. Never fear...you don't have to drive through the construction, just use a different entrance.

Before you go over to Bellevue mall to check out the cruise scene, why not head to HUNTERS Custom Auto and take part in the NSRA Appreciation day deal. NSRA & Johnny Freund always have some neat freebies for the participants. Make sure you say hi to John R & the rest of the staff at Hunters when you go.

Our good buddy Glen "Sparky" Maker of the Poor Boys Car Club is co-host of a hot rod radio show. Check Sparky and the show at www.radiofreenashville.org on Tuesday nites from 10pm-12am. The show is called "hot rods & heels". Its commercial free and live!!

Congrats go out again to Dale Johnson and his "Little Red Corvette". He had a great showing at the ISCA show in Cleveland and brought home a lot more gold.

Speaking of shows, The Hunters Custom Show for 2008 was another hit. This was the first year since 1991 that I missed it and am sorry I did. Our roving reporters said there were lots of really cool rides to check out. Congrats to John Richardson & Linda Freund for another great show here in Middle Tn. Get ready for 2009!!

Mike Kremer sent in some cool info. Check out <http://chevy.tocmp.com/year.htm> for service manuals on line for Chevy's. I did a quick look and it appears to be very extensive. I have the website listed down in the **Cool Links to the World Wide Web** for future reference. YEA YEA you Ford & MOPAR guys are moaning now. If there is the same thing for your brand send it to me and we'll get it posted and tell everyone about it.

Another new website to check out is www.dm-exotics.com. Some pretty cool cars on here too. Take a look!!!

Gary & Linda Neville asked me to pass along some info on a new Camaro/Fbody club in middle Tennessee they are helping get started. The club will be called "Classic Camaro Club of Middle Tennessee". Gary is the TN Rep for Ecklers World Wide Camaro. All years are welcome. Contact them at 931-388-3858 or 615-542-5834 and leave a message at either number. They will get back to you and let you know when the first gathering of the F-Body lovers will be!!

One of the things you may have noticed about the e-mailing of the gazette this month is that your e-mail address showed up in the BCC line. I am listing the mailing lists on the BCC line so as to protect your e-mail address form

SPAMMERS. We have never had a problem with our e-mail list being compromised, and don't want that to happen. By sending the Gazzette to you this way, if someone got a hold of your e-mail address, they will not get anyone else, thereby protecting everyone. Same big mailing each month, just a little safer.

YEA Gas aint cheap anymore. Never will be again. Hopefully that won't stop everyone from getting out and cruising and going to shows. We'll have to wait and see how the season shapes up. Go out and have some fun...Life's too short

Until next issue, keep it between the lines....

Jimmy B.

As always, if you want the **GAZZETTE** direct instead of forwarded 2nd hand, let us know. All you need to do is send me an email at gearheadgazzette@aol.com. You can also always check out the current issue of the **GAZZETTE** on line at www.gearheadgazzette.com

"Remember...we're here for a good time...not a long time...Enjoy the Ride".
