ROAD RUMBLINGS...

HAPPY NEW YEAR GEARHEADS!!!!

While it's not Jan 1, let me wish each of you a Very Happy & Prosperous New Year. Here's hoping that the Hot Rodder in the red suit brought you and surprised you with all you wanted & needed for Christmas.

I apologize for the late send on the January issue. Things have been busy around the editor's office and I missed getting the Jan issue out earlier in the month. Based on timing and new show and cruise info coming out, I have done our first (and maybe last) dual month issue. This issue will serve as both the January & February editions.

Welcome to the Battlefield AACA club. They are now listed in the Car Club section of the **GAZZETTE**. If your club isn't listed yet, why not take a couple of minutes and send me the info about your club, so others can check you out. Who knows, you may pick up a new member or two.

Speaking of clubs, a BIG congrats goes out the MHRA club from Murfreesboro. Our good buddy John Ortwein sent out info on the charities that they made donations to this year, from the proceeds of the Friday Nite Cruise In's. This year's charities are: Domestic Violence Center of Murfreesboro, West Main Street Mission & Room at the Inn. All 3 of these organizations received

\$1000.00 from the club. The Club thanks all of you for your participation each week at the Cruise nite, as your donations help others that are less fortunate. Great Job MHRA!!!!

Speaking of Cruise Nites and Shows too, its time for you to send them in to me, so we can get them listed. As you will see in this issue, the list of shows is growing fast and the some Cruise nite info is coming in too!!.

Recently a couple of Car Shows that happen regularly during this "downtime" period, took place. The 2008 versions of FROSTY WHEELS & the NASHVILLE AUTOFEST took place in the 1st half of January. Personally I missed the Frosty Wheels show. Some reports came in and said the cars & trucks were ok. Nashville Autofest was the same as usual. Cars, parts & other stuff. Some grumbling from both shows on the entry fees. Frosty wheels was \$9.00 & NAF was \$10.00. Of course it's all perception by all of us, as to was the show priced fair or not and mostly we base that on the quality of the rides in the show. While I like everyone else don't like paying more each year to get into shows, fact is the promoters have higher cost for leasing space. It all comes down to the economy and that black gold we call oil. I am sure the promoters would like to have a lower entry fee so they could see more folks afford to come to their

show, but reality says that probably aint gonna happen soon. \$10.00 for a car show you go to one time a year...cheap entertainment when you think about it compared to a lot of other things.

If you haven't heard, NHRA is bringing back the HOT ROD REUNION to Bowling Green this year. Good news is and rumor has it, that the new 2nd road is open now. Should help if true. Anyone got the real deal on the road?? Send it to me. Better make your room reservations now as the hotels are filling up fast. The host hotel is completely booked as well as a couple of others. Don't delay so you can be part of this "TOO COOL" show.

Thanks to Jimmy Lowe of "JIMMYS GARAGE" for the info on the Holley Powercruise to Somerset KY for the BIG Cruise In. This is going to take place in July, like it did last year. Jimmy is going to be helping organize it again this year, so you know it's gonna be good. We'll have more to come in upcoming issues, so stay tuned and don't miss an issue.

Until next issue, keep it between the lines....

Jimmy B.

As always, if you want the **GAZZETTE** direct instead of forwarded 2nd hand, let us know. All you need to do is send me an email at gearheadgazzette@aol.com. You can also always check out the current issue of the **GAZZETTE** on line at www.gearheadgazzette.com
