JULY 2008

ISSUE No. 7

EDITOR: JIM BRANDAU PUBLISHED: WHENEVER I CAN DO IT OR ONCE A MONTH MOST OF THE TIME

ROAD RUMBLINGS...

Where does the time go?? The 1st half of 2008 is gone, Summer is really here, and the heat is on. Are you ready for Christmas?? HA!!

Check out the new format for the **CRUISE NITE FUN FOR 2008** section in this issue. I have tried to make it easier to see what cruise nite activity is really happening on which nite. What do you think good or bad?? Let me know.

We're into the busiest part of the cruise / show season. Just a reminder that the **GAZZETTE** lists shows about 3 months out each issue. If we listed all the shows this little publication gets from you, it would turn into a LARGE publication. I am going to keep following this format(about 3 months worth) as it works. If you have sent us your show info and you don't see it, don't worry as I have it and it will show up about 3 months before the show itself. If you haven't sent us your show info yet, I have to ask you "why not"??

Congrats go out to John Creveling of Columbia Tn for receiving a TOP 50 award at the recent NHRA HOT ROD REUNION at Beech Bend Raceway in Bowling Green Ky. Not only did he pick up a TOP 50 Award with his 55 Chevy Truck, he got asked to participate with his TOO COOL 55 Chevy Truck,

at the 2008 U.S. National at O'Reilly Raceway Park, in Indianapolis over Labor Day Weekend. Way to go John!!

Speaking of the NHRA Hot Rod Reunion, check out some pictures from the show elsewhere in this issue.

Just a reminder, there will be **NO CRUISE** in Murfreesboro on Friday July 4th. This is just due to the Holiday. Cruising picks back up in the Boro' the next Friday.

The Big SOMERNITES Power Cruise is coming up. Elsewhere in this issue, you will find details from Jim" Its in Primer and its dun!" Lowe. While the SOMERNITES folks have abandoned a POWER CRUISE from Nashville, due to issues with Opryland Hotel, Jim Lowe has taken it upon himself to get an "UNOFFICIAL" cruise going up to Somerset. He has taken care of all the details to make this happen for all of us. If you want to participate with a VETERAN SOMERNITES CRUISER, give Jim a call after you read his article on the event.

I have said it here before and it bears saying it again. When us "old Guyz" head out in our Rides for a car show or some other "GEARHEAD" event, "take a kid with ya!!!" If we want to continue to see our hobby, sport, passion, whatever you want to call this thing we do, grow we need to get the "young guns" (both boys &

girls) involved now. It does take some effort & patience on our part to teach and help our protégé's the right way to do things. Give a big 'ATTABOY" to Gene Reis from down Lynnville Tn way. He definitely has his boy Ty involved. Here is Ty trying out to be a tire changer for Kevin Harvick's Cup team. Ty has the stance down & definitely looks like he is having fun...that's what's it's all about right...FUN!!

Until next issue, keep it between the lines....

Jimmy B.

As always, if you want the **GAZZETTE** direct instead of forwarded 2nd hand, let us know. All you need to do is send me an email at gearheadgazzette@aol.com. You can also always check out the current issue of the **GAZZETTE** on line at www.gearheadgazzette.com

- JULY 26: FRANKLIN TN: **SOMERNITES POWER CRUISE INFO: Info From Jim Lowe who is organizing this Cruise up to SOMERNITES Cruise.** Somerset pulled out of a starting spot in Nashville because of problems with Opry Mills/Gaylord ...However I am "unofficially" organizing a Cruise from Cool Springs Galleria.. Sears lower parking lot..
We will leave promptly at 7:00 am on Saturday July 26..... We will travel at a cruise speed of 55-60 mph for the folks with the higher gears in the rear....or trailered vehicles...That was what made our cruise so successful last year !!...Every one going should be Gassed and ready to go at 7:00 a.m. sharp. It is a 3.5 hr drive and a 1 hr time change. The show starts at 2:00 pm but we need the time to get in line...@ 1500 cars were there last year so the lines are long..The distance to Somerset is just over 200 miles so people who need gas will exit & get fuel and should be able to catch back up to us. We will have people in the front,back and middle and a truck with tools/gas can (aka Jimmys Garage truck)...The lead cars will all communicate and if needed will stop and help with any trouble along the way...I stopped about 5 times last year and everyone of the 120 plus cars that started made it to Somerset including the 4 that missed the exit...LOL...
We will leave the parking lot at 7:00 a.m. on Saturday July 26 with a few cars or a lot of cars... It is up to us to get the word out...I'm hitting the local shows hard the next few weeks and telling everyone I know with a car.... I am talking with some folks in Hendersonville and they have expressed interest in hooking up with us as we pass by..... There were several from that area who cruised with us last year.
- The cruise route is: I-65 north thru Bowling Green right on Exit 42..Cumberland PKWY..Cumberland Pkwy ends in Somerset @ 99 miles from I-65... There are 2 or 3 exits along the Pkwy for a gas -n-go **THIS IS GEARHEAD GAZZETTE PICK SHOW.**
