ROAD RUMBLINGS...

Greeting Gearheads,

Here we are in the Summer time and all this cool gearhead stuff to do, see and enjoy!!! Make sure you get out and have some fun.

Speaking of fun, just a reminder that the BELLEVUE CRUISERS will be hosting their monthly Cruise Nite on Sat June 7 from about 4:30 - 9pmish. Why not cruise on over and show off your cool ride. If you don't head out to Bellevue, check out any of the weekly cruises listed here in the **GAZZETTE**, and head out for some fun.

I want to welcome all the new subscribers to the **GEARHEAD GAZZETTE**. In the past couple of months, there have quite a few new folks who have asked to get on the mailing list. Glad to have you and if you have some info that other GEARHEADS might want to know about, send it in.

Check out the **COOL HAPPENINGS IN YOUR GARAGES...** section for some cool pics.

Rumor has it that down in Lynnville Tn, there is a super cool new ride being put together. This one is going to be a 4 seater that hauls.

Gene Reis is putting together one sweet hauler for Michelle, Ty & the latest addition that will arrive in a few more months. Congrats on the #2 hot rodder on the way!!! Guess those other projects are back on hold eh Gene??? HA!!

From some of the **GEARHEAD GAZZETTE** roving reporters comes info on the Murfreesboro Cruise nites & the Friday Nite Drag Racing. John "SMITTY" Creveling reports that at the last Friday Nite Cruise he took in over in Murfreesboro, the lot was full of cool rides!! By estimates somewhere between 250 - 300 sweet rides on the blacktop. Wayne "the Wizard" Underwood took in the Drag Race action at the Nashville Super Speedway recently. Wayne says while it's a new deal and while there are somethings that need to be fixed, overall it has a "cool" factor. They have added a Christmas Tree replacing the flag starter that was originally used the 1st session. Sounds like more than a couple guys almost had a "brush" with the wall. Heard there are some good matches and some ok ones. Bottom line so far, sounds like a good time is being had by racers and spectators both. Check out the schedule for the next race session here in the gazette. Oh Yea, the "WIZARD" runner-up'd in the Domestic Class with his Mercedes

Convert narrowly missing the win lite to a new Corvette.

An update on the "HOT ROD ALLEY" Hot Rod museum opening. As we reported here, the grand opening was scheduled for June 1st. Couple hiccups slowed them down a little, but they will open in Mid-June so check them out. Catch them at www.hotrodalley.org

Enuf rambling from me for this month, go out and fire up that cool ride of yours and take a nice ride!!

Until next issue, keep it between the lines...

Jimmy B.

As always, if you want the **GAZZETTE** direct instead of forwarded 2nd hand, let us know. All you need to do is send me an email at gearheadgazzette@aol.com. You can also always check out the current issue of the **GAZZETTE** on line at www.gearheadgazzette.com
