

GEARHEAD GAZZETTE

"IT'S ALL THE GEARHEAD NEWS YOU CAN USE"

VOL No. 8

MARCH 2008

ISSUE No. 3

EDITOR: JIM BRANDAU PUBLISHED: WHENEVER I CAN DO IT OR ONCE A MONTH MOST OF THE TIME

ROAD RUMBLINGS...

Hey GearHeads,

Lets get this month issue going as there is a lot to cover in a short space and time.

Sad news over the past couple of weeks. We lost 2 ICONS of Hot Rodding. First Boyd Coddington passed away, and then word came that John "LiL John" Buttera died also. BIG loss for Hot Rodding...PERIOD. News reports say Boyd died from liver failure and Lil John died from complications of a tumor from Brain cancer. I already sent out info to all you Gearheads, on both of these guys and some of their history. They will always be known as the fathers of the billet wheel. They created and built the first sets ever.

Don't forget March 7-9th, the HUNTERS Custom Car Show being held at the Tennessee State Fairgrounds. In talking to John Richardson, Show Co-Chairman, they will have over 200 rides on display along with some surprises. Get up off your butt's and go check things out. What else are ya gonna do...watch some more re-runs on the tube??? Tell John R the **GAZZETTE** said hey!!

Make sure you check out the "COOL CRUISIN" & "WAY COOL THINGS TO DO" sections. WOW the list of events has grown rapidly to say the least. Shaping up to be a fun season of Gearhead Fun!! What??? You don't see your club or organizations event listed here. That means you probably haven't sent me the info. Why not send it in now.

While your checking out the events, look over the "CAR CLUB LISTINGS" as some new clubs have asked to listed here. If your club is not listed here...it should be. How else will other Gearheads get a hold of you.

Some website updates for you to check out. The Battlefield Region of the AACA has freshened up their site. Looks Good Gang!! Also make sure you check out HOT RODS & THREADS website. LOTS of new pics & info to check out. You'll want to keep checking this one out, as it is being updated weekly. Lot of pictures being added.

NSRA has announced that the Nationals will continue to be held in Louisville Ky through 2020. WOW!!! Wonder what the street rods will look like then.

Check out the "COOL HAPPENING'S IN YOUR GARAGE" section. Lots of cool rides here this month.

In Fact you can check out the killer Vette that Dale Johnson owns in the "COOL HAPPENINGS IN YOUR GARAGE" section. This cool ride was shown in Chicago this year at the ISCA World of Wheels show and won its class and best original / restored in the show!! Dale has also showed the car in Louisville Ky at the BIG Carl Casper show. The car won 8 major awards. Dale has George Ross, who restored the car, along for the ride to all these shows too. We heard George had to ride in the trailer as his head has swollen up so much, that is the only place he fits. The guys are headed to Detroit to show the car at the 56th DETROIT AUTORAMA. GOOD LUCK!!

While your in the "COOL HAPPENING'S IN YOUR GARAGE" section, check out the other rides that we're showing off this month. Some pretty cool cars & thrucks.

In the "15 Minutes of Fame" Dept., want to recognize Dick Morris and his TOO COOL 65 Chevelle. If you have been to any of the Hot Rod Reunions up in Bowling Green,

you have probably seen Dick banging gears in his CHEBBY on the ¼ mile. Well Popular Hot Rodding Magazine thought it was way cool, so they did a feature on it and you too can check it out in the April Issue, on the magazine racks now. Oh by the way, Dick finished in the TOP 10 in points in the NMCA and got a cool jacket and some \$\$\$ to spend too. Congrats Dick!!!

I'll blow my own horn a little too. The 57 made it in the March issue of TRUCK BUILDER Magazine. I have to admit, its pretty cool to see your ride in a 5 page color spread. BITCHIN!!!!

R.I.P BOYD & LIL JOHN

Until next issue, keep it between the lines...

Jimmy B.

As always, if you want the **GAZZETTE** direct instead of forwarded 2nd hand, let us know. All you need to do is send me an email at gearheadgazette@aol.com. You can also always check out the current issue of the **GAZZETTE** on line at www.gearheadgazette.com
