ROAD RUMBLINGS...

Greeting Gearheads & Lovers of Horsepower,

Tell me where the summer went!! We just started cruising around to shows and cruise nites yesterday didn't we?? I hope all of you had fun with your *"too cool"* rides this summer. Don't despair though, still a lot of nice weather to take your pride and joy out and play with it. Yea the gas is up there, but its not like you drive it that much each week, save for a few of you who do drive your ride all year long. Check out the EVENTS and CRUISE NITES sections as there is still LOTS to do. October is a jam packed month of cool things to do so...*Wipe it off and fire it up and "take it out of the garage"*.

Speaking of places to go, take note that the Hendersonville Cruise Nite has changed locations to accommodate more of you each week.

Remember that the Murfreesboro Cruise nite winds down for the season on Friday Oct 3rd. Also the Bellevue Cruisers will close out their Cruise nite on Saturday Oct 4th, with a big tribute to the Corvette. Make sure you check out both of these GREAT Cruise activities.

While you're at the Bellevue Cruise nite, see Tom Akers to have him check your ride out, so you can enter it in the upcoming KRIS KRINGLE car show being held Nov 8 & 9(see info in events section). Tom always has his eye open for great looking rides to put in the show. This year he is looking for 55-57 Chevys of all varieties as they will be the feature rides at this year's show. If you have never participated or gone to this show, you're missing a good one!! Don't wait if you want to show your ride as Tom says the spots are filling up fast!!

Word is coming out of Franklin TN, that the ultimate "MAN CAVE" also known as "GARAGE MAJHAL" is coming along slow but steady. Stayed tuned to this publication and the website (www.gearheadgazzette.com) for the big announcement to the grand opening, garage warming party that will be taking place soon. You'll want to be here for this one. Flat screen TV, State of the art lighting, every cool tool you could want and more!!! "You Da Man Brian!!"

Congrats go out to Jeff Wolf our good buddy and fellow Gearhead down in Texas. Jeff has recently had not 1 but 3 articles published in ROD and CUSTOM's on-line magazine website. Check it out and look for Jeff's by line.

Can you smell it...can ya?? That sweet perfume called Nitromethane or NITRO for short. It is starting to waft across the air to all the Gearheads. Why you ask??... Cause the GOODGUYS are getting ready to fire up a new event in Bowling Green...THE NOSTALGIA NATIONALS. Hot Rods, Customs and Vintage racing with loads of NITRO in the tank!! The weather is perfect and I bet those Fuel Racers will be "Tippin' the Can" a little heavier. I can almost hear the late, great Steve Evans..."*SUNDAY SUNDAY...*"

Until next issue, keep it between the lines...

Jimmy B.

As always, if you want the **GAZZETTE** direct instead of forwarded 2nd hand, let us know. All you need to do is send me an email at gearheadgazzette@aol.com. You can also always check out the current issue of the **GAZZETTE** on line at www.gearheadgazzette.com

"Remember...we're here for a good time...not a long time...Enjoy the Ride".
