EDITOR: JIM BRANDAU PUBLISHED: WHENEVER I CAN DO IT OR ONCE A MONTH MOST OF THE TIME

ROAD RUMBLINGS...

Well kick my butt. Time just got away from me, and the editors office got busy and I missed putting out an August Issue of the Gazette. 1st Issue I have missed putting out in 8 years. SORRY!!!

Check out the event listing for "THE BIG CRUISE" that is being held in Bowling Green Ky. Thanks to Jay Young for sending this along. Looks like this is the 3rd for 3 events that are happening this year. If anybody goes, let me know how it was.

Speaking of Bowling Green Ky, sounds like the participation level at the GOODGUYS 1st Annual Nostalgia Nationals being held at Beech Bend Raceway in October will be pretty good. Sounds like the Goodguys are going to follow a similar format as NHRA does at the HOT ROD REUNION in June. Make no mistake, GOODGUYS will put their touch on the event so it should be pretty cool.

FOR ALL OF YOU PLANNING TO ATTEND THE "CRUISIN THE COAST EVENT" Make sure you check with the event and your hotel **BEFORE** you go. With Gustav hitting them (yes in Mississippi too) and IKE looking like it may be headed that way it may save you some grief.

The good folks over at RTM Production/POWERBLOCK are looking for a COOL RIDE with FOOSE Wheels on it for some future production. If you

have a vehicle with FOOSE wheels, e-mail me a pic with your contact info and I will pass it along.

Don't forget, the Bellevue Cruisers will wrap up their cruise season on Sat Oct 4th. They will be having their usual cruise activities plus they will be featuring any and all Corvettes as it is Corvette nite at the cruise. Need more info, check out the cruise nite section down below.

Don't forget that The Murfreesboro gang will also wrap up the cruise season after the 1st Friday in Oct.

Speaking of Cruise Nites, as we go thru Sept and into Oct a lot of the cruise nites will go into hibernation for the winter. If yours is listed here and it will continue on thru the fall and winter months let me know. If I don't hear from you, I will take them off the list for the rest of the year.

The 2008 edition of the "KRIS KRINGLE" annual car show is coming up in November. Check out the event section for more details. If you are interested in showing your cool ride, cruise on over to the Bellevue Cruise nite on Oct 4th and see Tom Akers or send him an e-mail and he will give you a look see. This is an invitation only event, so don't delay as the spots fill up fast on this cool show. This year they will be featuring the TRI-5 Chevys so if you have one and want to participate, contact Tom.

MY OPINION: When you listen to folks talk about this thing we do called Hot Rodding, it is interesting to hear the different views. It is amazing to me sometimes, on how much emphasis is put on the vehicle we drive vs. the people. Don't get me wrong...the cool rides are the glue that brings us together and keeps us there. In my opinion though, it's not the rides that make this hobby/sport happen...it's the people. People are what this is all about. The relationships built because of the Hot Rods we have, is what matters most. A lot of us forget this in my opinion, or don't place much value on it. Their loss I would say, as I haven't seen one of these Hot Rods driving around by itself or building itself. That guy or gal behind the wheel or with wrench in hand or hidden behind the welding shield is what this is all about. Thanks to all of you for being who you are...my fellow Gearheads.

Until next issue, keep it between the lines...

Jimmy B.

As always, if you want the **GAZZETTE** direct instead of forwarded 2nd hand, let us know. All you need to do is send me an email at gearheadgazette@aol.com. You can also always check out the current issue of the **GAZZETTE** on line at www.gearheadgazette.com
