**"IT'S ALL THE *GEARHEAD* NEWS YOU CAN USE"**

**VOL No. 9**

**MAY/JUNE 2009**

**ISSUE No. 5/6**

**EDITOR: JIM BRANDAU PUBLISHED: WHENEVER I CAN DO IT OR ONCE A MONTH MOST OF THE TIME**

## **ROAD RUMBLINGS...**

Sorry this issue (double issue) is late getting to you. Been hectic around the editors office these past few weeks. I am trying to get back on course though. Have faith...I'll get there.

Well its summer time again. That means plenty to see and do (like take your ride out and drive it!!). Even though the warm weather is here, it has been a wet May to say the least. The clubs with car shows and cruise nites have not had a lot of dry weather here lately. Hopefully Mom Nature will help out as we move into June.

We have another *GINORMOUS* (don't look it up, it aint in Webster's) issue for you, loaded with all kinds of cool things to do, see and take part in while having fun with your ride. Keep the show and cruise info coming in. You now how to get it to us here at the *GEARHEAD GAZZETTE*.

Check out the Car Club section as some new clubs have been listed and some address's and contact info has changed. If you're in a club and your clubs info isn't listed here, get the info sent in today. Question is...why isn't it here??

New cruise nites have been added to the listings too. The one out in Lebanon on Thursday nite looks interesting. Their first one kicks off on June 4<sup>th</sup>. Check it out. Speaking of cruise nites, the gang over in Bellevue is going to try it again on June 6<sup>th</sup> for their monthly get together. They got rained out in early May. Tom will be checking out your rides to see of he can use them in the annual Kris Kringler Invitational car show in November.

Apologies go out to the POOR BOYS car Club and Henry B. Their show is coming up in June and do to a computer error (editor at keyboard) the event got erased from the listings. Make sure you check the info out on this show as these fella's have a blast.

If you haven't heard by now, starting in 2010 NSRA will open their events up to vehicles that are 30 yrs old or older. They are getting away from all the pre-48 restrictions. Personally I LIKE IT!!! This is going to bring a new flavor to their events, which in my opinion has been sorely needed. The BIG ONE in L-Ville next year should be a blast!! If they can draw 10,000 pre 48 rides now, wait until 2010. Parking and Hotels will be at a premium. Check out the NSRA website or *STREETSCENE* Magazine for more info in the upcoming months.

Based on responses or lack of them, there is only 1 Gearhead here locally that is going on HOT ROD Power Tour this year. Don't forget that on June 11<sup>th</sup>, POWER TOUR comes to Somerset KY for a HUGE CRUISE IN!! Check out the events section for more info.

We are trying to get some info on the STREET RODDER Road Tour stop in Franklin Tn. that is coming up. Jerry Dixey and the Road Tourians will be leaving from Vintage Air in San Antonio Tx and headed up to the NHRA Hot Rod Re-Union in Bowling Green Ky on June 19-21<sup>st</sup>. They will stop over nite in Franklin. If you know where they are planning to land or have any info, please send it to me so we can get the word out and make a big time out of it!!

*Until next issue... "Get your motors runnin'...Head out on the highway"!!!*
