"IT'S ALL THE GEARHEAD NEWS YOU CAN USE"

JULY 2009

ISSUE No. 7

EDITOR: JIM BRANDAU PUBLISHED: WHENEVER I CAN DO IT OR ONCE A MONTH MOST OF THE TIME

ROAD RUMBLINGS...

Greetings Gearheads from the editorial office, on the top floor of the GAZZETTE HQ, overlooking Beautiful Downtown College Grove.

Here's some news, views, pic's and BS for you to read thru and sort out what is what.

Lets kick off with a BIG HAPPY 50th Birthday to our great friend Ken Juricic. KJ hits the Big 50 on July 4th. Remember Ken...OLD GUYS RULE!!!

NSRA is making more news. As previously reported here and now in publications all over, NSRA is going to open up ALL their events to entries that are 30 yrs old & older. NSRA also recently announced that the "BIG ONE", The Street Rod Nationals will continue to be held in Louisville (L'ville to say it right!) thru 2020.

We want to offer up our condolences and sympathy to everyone at NSRA and to all of Joe Mayall's family and friends, and he has many. Joe was only the 2nd editor, but the longest running editor of the NSRA Publication "STREETSCENE". Joe made a difference in our world of street rodding and will be missed greatly.

If you thought last months issue was big, wait till you peruse this months. It's even bigger!! July, August

& September are loaded up with more things to see and do with your cool ride, than you have time for!! Shows, Cruises and more. For those of you heading down into Alabama for the BIG SHOW that used to be at the DELPHI/SAGINAW GM Plant in Athens, check the events section for the NEW location of this event.

Since the 1st weekend of the month is a "HOLIDAY" weekend, why not check out some of the cruise nites that are going on. The gang in the "Boro" are rocking each Friday nite with around 400 rides showing up. The "Bellevue Bunch" will be having their cruise on the 4th so it's sure to lite up the parking lot with all the colors you can ever imagine seeing. Hendersonville is happening on Fridays nites too, so why not motor over there and sample a big helping of horsepower with them. If you're craving ice cream with your cruising, why not head over to Lebanon to DeSoto's Ice Cream parlor at "THE MILL" and feast on cool treats and hot cars! You can head up to Clarksville and reminisce with the Memory Lane Cruisers or head south to Crimson Tide country and take in the Town Square in Athens Al.

We have some new car club info this month also. The listings are growing. Where's your clubs listing at??

Take a few minutes and check out

www.wolfmotorsportsmagazine.com.

Our friend Jeff Wolf, who now resides in Texas, has put this together. Congrats Jeff on getting your first issue out. Looks Good!!

Take a few minutes and check out the "COOL HAPPENINGS IN YOUR GARAGE" section of this issue. You can check out some cool rides and pics from the recent Goodguys Nashville Show. Also in this section is a story about RJ Dewey. RJ has been working on and completed his 66 Chevy Truck. He has it entered into an on-line competition sponsored by Dupli-Color. They had 272 entries and picked 32 to be in the competition. His truck is one of the 32. Let's get behind him and recognize him and support him, a local guy, with our vote. Check out the whole story...way to go RJ.

Now...go check out the July GAZZETTE!!!

Until next issue..."Get your motors runnin'...Head out on the highway"!!!

Jimmy B.

As always, if you want the GAZZETTE direct instead of forwarded 2nd hand, let us know. All you need to do is send me an email at gearheadgazette@aol.com. You can also always check out the current issue of the GAZZETTE on line at www.gearheadgazette.com

COOL HAPPENINGS IN YOUR GARAGES...

SEND THE PICTURES AND INFO ON YOUR RIDE OR YOUR FRIENDS RIDE AND WE'LL SHOW IT OFF RIGHT HERE!!

- Take a quick trip on the web to www.gearheadgazette.com and click on GALLERY, then click on 2009. There is a nice selection of pictures from the GOODGUYS 4th Annual “Nashville Nationals”, or as some are calling it “sweatapalooza”. Check them out.
- OK all you Gearheads. We all have a chance to help a Local Gearhead (Columbia TN) out. R J’s truck is one of only 32 entries being voted on for this competition. I am asking you to help this “YOUNG GUN” out and give him your vote in this competition. Let’s all help him bring home this award and prize!! Love the Straight 6 RJ...Ol’ Skool Style!!!

Here in his own words is R J Dewey’s story on his TOO COOL Ride!!

- I have a 1966 Chevrolet C10 pick-up that my father and I restored. I entered my truck in a Restoration Challenge that is sponsored by Dupli-Color. They only chose 32 out of the 272 entries that they received from all over the US, and my truck is one of the 32! There is a description of what we have done to the truck since the frame-off restoration at the website.

Today (JULY 1) is the day the voting starts! You have until July 5th to vote for my 1966 Chevrolet truck. When you go to the website, you must register to vote. **(NOTE: It doesn’t take long nor is it complicated.)**

The link below will take you to the website. Click the "Enter Now" to sign up so you can vote, doing this you will have access to vote in future rounds and a chance for yourself to win a Advanced Auto gift card.

Fill out the necessary required fields, you will get a confirmation email with a link to vote. Follow the link and it will take you back to the brackets. My truck is on the bottom left. Check the box next to my name and click "VOTE" and you are all done.

Spread the word, every vote counts. With your help, my truck will reach the next round! Thank you very much for everything!

I have also attached some pictures for you to look at, you can use them if you want to, whatever.

RJ Dewey
