

GEARHEAD GAZZETTE

“IT’S ALL THE *GEARHEAD* NEWS YOU CAN USE”

VOL No. 9

OCTOBER 2009

ISSUE No. 10

EDITOR: JIM BRANDAU PUBLISHED: WHENEVER I CAN DO IT OR ONCE A MONTH MOST OF THE TIME

ROAD RUMBLINGS...

FOR SALE: 1 ARK. Only used in September 2009.

WOW!!! Talk about a wet month, that screwed up a lot of cruise nites and car shows and Gearhead type events!!! I feel for you if you had an event planned in September. Having done more than a few shows, I know how it hurts when the weather doesn't cooperate and your club or organization was counting on the proceeds.

Be sure to check out the *“COOL STUFF YOU MIGHT NEED OR SWAP FOR”* section this month. The ads are coming in!!!

Speaking of things for sale, make sure you check out the HUGE SALE Kris Henderson is having the weekend of OCT 3 & 4. It's listed in the *“COOL STUFF YOU MIGHT NEED OR SWAP FOR”* section. This is a moving sale for Kris, and we ain't likin' it that he is moving, but the 40 hr a week job drives a lot of things as we all know. If you're looking for parts, you want to cruise over to Kris's shop. Better get there early cause some of the buzz is that others are going early to “get the good stuff”.

NSRA's decision to open up their events to vehicles 30 yrs old or older is causing a lot of energy with the pre-48 segment of our hobby. Sentiment seems to be running high that this was not the right decision by NSRA. At the recent Frog Follies event, a tent was set up collecting signatures protesting this decision.

Some folks who were at the recent Shades of the Past event last month, were saying that they were hearing that some “BIG TIME” show promoters, are in the planning stages for an event to be held on the same weekend as NSRA's Street Rods Nationals in Louisville in 2010. Supposedly it will take place in Sparta Ky, just down the road from Louisville, at the NASCAR Race track and be open to 1948 and earlier only. If true, this could be interesting. Time will tell and we'll let you know what we hear. Right now this is just “talk on the street” if you will.

Happy Birthday wishes go out to HOT RODS & THREADS FULL SERVICE HOT ROD SHOP. Oct 21st is their 4th anniversary for this cool Hot Rod Shop. They have sent some pics in and we have them posted in the “COOL HAPPENINGS IN YOUR GARAGES” section. Check out the pics and the shop.

We have some new and updated club listings. If you're planning an event, you may want to look over the list and contact the clubs directly. You say your club isn't listed here. Why not?? All you have to do is send in the info.

Has anyone seen Brian Baker of the GaragMahjal fame lately?? The milk carton ad is about to run out and if he is around we don't want to renew it for nothing!!!

There are a lot of great events coming up this month. The Gearheads can finish up this car show / cruise in season with a lot of fun events. Just a few to mention are:

- The Midnight Rodders Color Cruise rolls out again this month and promises to be bigger and better than last year.
- The Battlefield Region of the AACA's annual show at Sears in Cool Springs is always fun for everyone.
- The GOODGUYS are having a big time in Bowling Green KY at the 2nd annual Nostalgia Nationals. It's like 1960 again....SUNDAY SUNDAY!!!!!!
- The Whiskey Runners down in Lynchburg are going to have a BIG TIME around the square again this year.
- Also you don't want to miss the MHRC Club's last Cruise Nite in the “Boro” on Oct 2nd. If the weather is right the cars will be plentiful.
- The BELLEVUE CRUISERS will be hosting their last Cruise in for this year on Sat nite Oct 3rd. It is going to be CORVETTE nite in Bellevue so make sure you bring yours or come out and check them out. Also The Bellevue bunch will be looking for some entries for the Kris Kringle Invitational Car Show on Nov 7 & 8. If you want to show, ya gotta go to Bellevue on Oct 3rd.

Until next issue...“FLOOR IT AND HANG ON!!!!”

Jimmy B.

As always, if you want the **GAZZETTE** direct instead of forwarded 2nd hand, let us know. All you need to do is send me an email at gearheadgazzette@aol.com. You can also always check out the current issue of the **GAZZETTE** on line at www.gearheadgazzette.com

“Remember...we're here for a good time...not a long time...Enjoy the Ride”.

FOR SALE: FROM JUSTIN LARSEN OF THE DECATUR AL MOPAR CLUB: Let me start by saying this, this is a personal friend of mine, I spent 2 hours yesterday looking over these cars, these are very rare and valuable vehicles for serious collectors and restorers only!! These vehicles mean a tremendous amount to this gentleman and he would not be selling unless he had to, I would have each one of these in my possession if my wife would not divorce me. I will list each one below, offers for each start at \$5000.00. If you are seriously interested in one of the below vehicles you can reply to this email and I will send you his direct contact information and you can set up a time to meet with him *individually*, or if you have any further questions I will be happy to answer them, or I am sure the owner will also.

#1: 1969 AMC AMX 4 SPEED: numbers matching 390, 4-speed, GO-PACK, group 19 option engine, air conditioning, power steering, power brakes, am/8 track radio, red with white stripes, rallye wheels, charcoal interior, no rust, car was parked in 1981 has not been driven since, car has been garaged kept since this time, car is completely solid, no oil/fluid leaks present under car, gauges were crystal clear, car is absolutely gorgeous, and complete. He has another 390 engine to go with car, the group 19 option engine is a very high compression engine that may not run on today's lower octane gasoline's.

#2: 1972 AMC JAVELIN 401 4 SPEED: numbers matching 401 goes with cars, currently has 360 in it, original 4 speed is on the original 401 engine, GO PACK, air conditioning, power steering, power brakes, original blue paint, RAM AIR HOOD and all accessories, grill and hood need to be installed as well as some interior pieces, other than that car is complete and rust free. Car has rare console for a 4-speed car. This vehicle has also been parked since 1981 in the same garage as the AMX.

#3: 1963 DODGE POLARA CONVERTIBLE: 330 hp 383 V8, car is running and able to drive, needs to be tuned to be perfect. Comes with a new convertible top. Interior is presentable, paint in darker blue, but needs to be repainted to be a show car.

Let me end by saying this, cars like this do not come up for sale very often, please take into consideration what is being offered here if you know the worth of AMC/Mopar vehicles you will know what we have here. Thanks so much!!

Justin Larsen – DECATURMOPARS@GMAIL.COM (9/09)
