ROAD RUMBLINGS...

Greetings Gearheads,

As I write this column, from the 2nd floor of the GEARHEAD GAZZETTE offices in beautiful downtown College Grove Tn, I am watching colorful leaves fall off the trees. Hard to believe but here we are facing late fall and Christmas. I hope you had loads of fun all summer long.

The Fall Season sure has been a wet one around Middle Tn. A lot of Car Shows took a major hit this year. I feel for you.

Make sure you stop by the Hot Rods & Threads booth at the upcoming Kris Kringle Car show on Nov 7 & 8. I will be in the booth and would love to have all the Gazzette readers stop by and say hi. The show is located at the Williamson AgExpo Center right off I-65. Make sure you come on out and check out the show. Tom Akers and his crew are doing a GREAT job selecting some super slick rides to fill this year's show.

End of an Era. The Nashville Fairgrounds is breathing its last breaths. The City Council with a strong push by the Mayor, has decided that there is not any good reason to keep funding the fairgrounds. Here is a facility that a lot of Gearheads have visited over the many years that it has been in operation. Racing has been a part of the fairgrounds from almost day one with NASCAR visiting twice a year for short track racing on one of the most exciting tracks on the circuit. While NASCAR has been gone for more than a while (due to stupid decisions by politicians) the track has been home to some of the best grass roots racing in the country. Coo Coo Marlin, Darrell Waltrip, Sterling Marlin, Bobby Hamilton & more have raced and won here. There are a number of GEARHEAD type events during the year, that take place at the fairgrounds. Where they will go and will they survive is TBD. Scary!!! As more info comes out about where things are moving, we'll let you know where they land and when.

In the December issue of the Gazzette, I am going to clear off all of the Cruise Nite Listings and starting in January I will start listing Cruise Nite Info as you send it in. If your Cruise Nite is going to keep going thru the winter months, YOU NEED TO LET ME KNOW otherwise I am taking off the list.

Ever wish you had a little more room in your garage?? Need a place to keep your classic cruiser this winter or longer? Don't have a place to work on your cruiser?? Check out the last page of this month's Gazzette. Here is a place that you can do all that and more. Check it out.

While it was less than great weather, sounds like a good time was still had by all. Rumor has it that Johnny Crawford, who runs a 39 Chevy and a dragster out of the Cincinnati Oh. area, recently gave a "GREEN ROOKIE" a shot at shoeing his 39. Seems as after his debut run, Gary Miller signed up for the Frank Hawley Drag Racing School. To say that the 39 ran well off its normal et/mph is an understatement. A long term contract for driving has been put on hold for now.

GOOD NEWS!!! Our good buddy Brian Baker jumped off the milk carton recently. He showed up out at the SEMA show in Vegas here recently. Now if he would show up in Middle Tn. Maybe someday.

In closing, let me wish all of you and your families and friends a VERY HAPPY THANKSGIVING HOLIDAY. When you give thanks, put a little extra thanks in for all of folks in the military, especially those in the war zones. They're out there fighting for us to be able to do this thing called Hot Rodding. May God Bless them and keep them in his arms.

Until next issue..."FLOOR IT AND HANG ON!!!!"

Jimmy B.

As always, if you want the **GAZZETTE** direct instead of forwarded 2nd hand, let us know. All you need to do is send me an email at gearheadgazzette@aol.com. You can also always check out the current issue of the **GAZZETTE** on line at www.gearheadgazzette.com
