ROAD RUMBLINGS...

Hey Gearheads,

This issue is coming to you from the 41st Annual NSRA STREET ROD NATIONALS PLUS being held in Louisville Ky. Here on Friday I would guess 8-9000 cars. The addition of the 1949 - 80 vehicles is working well and it seems as the folks here are liking the variety. Some VERY NICE cars here. We will have pictures posted on the website here next week and let you know when you can check them out.

Have you seen the new issue of GREASE MONKEY Magazine yet? If not head over to HOT RODS & THREADS in College Grove and pick up your FREE COPY today.

If you haven't already heard, Hot Rodding lost another one of its pioneers. Larry Watson, credited with creating the "panel paint" style passed away of brain cancer. You have seen Larry's work in all of the Car Magazines over the years. He was an accomplished pinstiper too. Do a GOOGLE search on him and you'll see just how much he contributed to our hobby/sport...obsession.

Speaking of magazines, check out the new issue of WOLF MOTORSPORTS Magazine at www.wolfmotorsportsmagazine.com. Jeff has got another great issue out there for you to check out.

August is another busy busy month in GEARHEAD LAND. The Bellevue Cruiser monthly cruise in on Aug 7th will feature the opportunity for you to put your car on the chassis dyno to see how much real horsepower you are putting down, Aug 8th you have the PARTS IS PARTS sap meet at the Tennessee State Fairgrounds. Tennessee Speed Sport is having a Cruise In on Aug 14th from 4-8pm. MR GASKET is bring some of their recent builds and you can enter to win one of them. Before you go to the Tennessee Speed Sport Cruise In, head down to Ardmore Alabama to take in the very cool show hosted by the Ardmore Quarterback Club. Last year over 800 entries showed up and a lot of folks took home some great door prizes, because these folks know how to do it. When you check in, Tell Rodney that Jimmy B said to say hi. If you are the adventurous type, head out for a longer haul and take in either the FROG FOLLIES or head out west to Pleasanton Calif for the West Coast Nationals.

Tom Akers of the Bellevue Cruisers is looking for some cool cars, trucks, hot rods and other vehicles to be part of the annual KRIS KRINGLE car show in November. This year the

feature cars will be from the MOPAR brands. IF you would like to take part in this invitational show contact Tom at bellevuecruisers@hotmail.com or call him at 615-478-5032. His is always a fun show with a very laid back atmosphere. Check it out!!!!

Check out the Power block show on Aug 21st & 22nd. Paul Shaucks "SMOKIN BONES" 1933 FORD Highboy Coupe will be the featured ride,

I want to give a shout out to David Ferguson for his work o the weekly newsletter he sends out supporting the Hendersonville TN Friday Nite Cruise in. Haven't seen it? Head out to the cruise and get hooked up. You will be glad you did.

Has anyone of you GEARHEADS been to all the Cruise Nites in the Middle Tn Area?? If you have let me know. If you haven't, what are you waiting for!!

I am glad to be able to report that our good buddy Brad Thomas is on the mend and may even be in Lou-Ville this weekend.

When you go to a show or cruise nite, do you take a kid with you? You should be. As I walk around here in Lou-Ville, I don't see many "YOUNG GUNS" in attendance. I do see a lot more gray hairs walking around, and hear more bones popping. IF we want to keep out hobby/sport alive, we need to cultivate the seeds of involvement with the next group of folks coming along. If we don't, we wont have a sport or hobby.

Remember that all this stuff we do is really about the people and not just the cars. Cars come and go, but the friendships you make along the way will last long after the cars are rusty or gone.

Cya on the street soon. Right now I am heading back out to the Biggest Hot Rod Show on the planet. You should be too!!

And remember to tell em' ya saw it in the GEARHEAD GAZZETTE!!!

Jimmy B.

If you would like to receive the **GAZZETTE** direct instead of 2nd hand, all you need to do is send me an email at gearheadgazzette@gmail.com. You can always check out the current issue of the **GAZZETTE** on line at www.gearheadgazzette.com

SATURDAY MORNING CRUISE IN's:

To all classic car fans.....

I have been repeatedly asked when are we going to start up the Franklin area Cars & Coffee for 2010? My suggestion is to come out for coffee twice a month, the 2nd Saturday & 4th Saturday of each month starting in March. That way if you can't make it one Saturday you don't have to wait an entire month before there is another one. To that end I have formulated the following calendar for 2010.

I thought it would be advisable to get the schedule out so people could mark their calendars and make plans to attend. Please forward the schedule to other Classic Car Fans that are not on the list.
