VOL No. 10

JULY 2010

ISSUE No. 7

EDITOR: JIM BRANDAU PUBLISHED: WHENEVER I CAN IT DO BUT MONTHLY MOST OF THE TIME...

ROAD RUMBLINGS...

Well the 1st half of the year went zipping by as they say and here it is July already. Never fear though, that doesn't mean things are slowing down for you Gearheads. When you get done looking at this issue you'll wonder how you're gonna take it all in!!!

Let's get to it....

IMPORTANT STUFF!!! Please make a note and change the e-mail address for the GEARHEAD GAZZETTE. Our new address is: gearheadgazzette@gmail.com. You can start using it now. I will start migrating all your email addresses to the new email. I will leave the aol.com address active for a while just to catch things in case you forget to change the address.

July 10th is West Tennessee NSRA Appreciation day. Make sure you head on over and say hey to Al Morton for us when you get there. Check out all the important stuff in the EVENTS section.

For all you FACEBOOK types, you can follow along with the Gearhead Gazzette on Facebook now. Just search for it as GEARHEAD GAZZETTE.

In the Dept of Corrections, The SOMERNITES Power Cruise that is coming up very soon, they do not provide you a Free Lunch. Some info I had said they would, but the SOMERNITE folks didn't want anyone getting mad or upset when they didn't get it when they got there. Its still gonna be tons of fun. Check it out.

NEWS FLASH!!! Terry "Mr Chevy & Mr Pontiac" himself is rumored to be switching brand loyalty. He was seen recently cruising in a 1940 Ford Sedan with an "ear to ear" grin on his face. Rumor has it there will be a big auction soon to get rid of all the GM parts so he can stock up on the Blue Oval stuff.

Check out the GARAGE / SHOP Scene section for some cool photos that have been sent in recently. Also if you head over to the Gazzette website (www.gearheadgazzette.com), you can check out the new albums posted in the Gallery section. Give them a minute or so to load, depending on your server speed, as these are high resolution pictures. Check out the different function on the viewer, making it easier for you to see the pic's and download them if you want.

For all you Vintage & Nostalgia lovers, you're gonna want to check out the Nostalgia Dragstalgia event that is going to be held at the I-40 Dragway in Crossville Tn. How big will it be?? That all depends if you go there. Should be a cool event as "Scooter" and the gang at BOTH BARREL PROMOTIONS are working hard to make it a huge success.

Speaking of Show success, the POOR BOYS Car Club is celebrating their 25th Anniversary show this year. It happens later this month in Waverly Tn. Stop in and wish them a Happy Birthday and stay for the show....you'll be glad you did.

Some of the Gearheads took the short ride up to Bowling Green for the HOT ROD POWER TOUR stopover. It was pretty slick having it at the airport out on the runway. My estimation is there were at least 800 cars at the event plus the spectators. A whole host of vendors were set up too. Remember that this is a traveling road show too. These vendors closed up at 5pm so they could hit the road ahead of the Power Tour participants, and get set up at the next stop. Some very cool cars on the tour. Check out the Sport Ute's from Australia that were there, This is the car that GM was going to bring to the US as a Pontiac "El Camino Style" vehicle. GM never did. What a mistake. These guys were swamped answering questions. People were digging the cars to say the least, That's what makes Power Tour so cool. Check out the pictures at the website.

Even though it was HOT!!!! There was a very cool vibe at the NHRA Hot Rod Reunion in June. Beech Bend Raceway is such a cool place to hold this type of event. Ya gotta love all the old front engine dragsters, funny cars, gassers and Super Stock cars. Mix in Hot Rods and customs and you have a really Bitchin Weekend. Throw in Chris "the Greek" Karamaseines firing up his "CHIZZLER" dragster at the Host Hotel under the awning....It doesn't get much better if you ask me. Missed this year's version? Plan on being there next year. Check out the pics on the website for this event also.

Lights...Action...Camera and a whole lot of makeup!!! Keep your eye on the POWERBLOCK TV show on the weekend of Aug 21 & 22nd. Paul Shauck of HOT RODS & THREADS FULL SERVICE HOT ROD SHOP had his BADAZZ '33 FORD COUPE on the set getting filmed. While the car was the star, we hear Paul had his first TV speaking part. Can you say DAYTIME EMMY Nomination...

We want to express our condolences to Gary Falls and his family on the recent loss of their son and sibling. You are in our thoughts and prayers.

Speaking of prayers, keep our good friend Brad Thomas in yours as he heads into surgery on July 22nd. Brad is fighting the Big "C". Everything is looking good so far for nothing but success. It doesn't hurt to have a few extra prayers for his full recovery. We have you n our thoughts and prayers Brad!!!

That's going to wrap this column up for the month....

And remember to tell em' ya saw it in the GEARHEAD GAZZETTE!!!

Jimmy B.

If you would like to receive the GAZZETTE direct instead of 2nd hand, all you need to do is send me an email at gearheadgazzette@gmail.com. You can always check out the current issue of the GAZZETTE on line at www.gearheadgazzette.com

SATURDAY MORNING CRUISE IN's:

To all classic car fans.....

I have been repeatedly asked when are we going to start up the Franklin area Cars & Coffee for 2010? My suggestion is to come out for coffee twice a month, the 2nd Saturday & 4th Saturday of each month starting in March. That way if you can't make it one Saturday you don't have to wait an entire month before there is another one. To that end I have formulated the following calendar for 2010.

I thought it would be advisable to get the schedule out so people could mark their calendars and make plans to attend. Please forward the schedule to other Classic Car Fans that are not on the list.

Carl Feickert
