

# GEARHEAD GAZZETTE

"IT'S ALL THE **GEARHEAD** NEWS YOU CAN USE"

VOL No. 10

APRIL 2010

ISSUE No. 4

EDITOR: JIM BRANDAU PUBLISHED: WHENEVER I CAN DO BUT MONTHLY MOST OF THE TIME...HA!!

## ROAD RUMBLINGS..

Spring Greetings to All of the Gearheads!!

As I put the finishing touches on this issue, from up high on the top floor of our editorial offices in beautiful College Grove Tn., the trees are budding out and the flowers are pushing up and the sound of the lawn mowers starting for the 1<sup>st</sup> time this season fill the air. You say... "what does all that mean to me???" IT MEANS ITS TIME TO GET YOUR RIDE OUT OF THE GARAGE AND DRIVE IT, SHOW IT, CRUISE IT and most of all HAVE FUN WITH IT!!!!!!!!!!!!!!

Keeping that thought rolling, this is the biggest issue so far for the **GEARHEAD GAZZETTE**. As I have said before, if you cant find something to do with your ride, or just to have fun without a car, then you aint reading the **GAZZETTE!!** This issue is overflowing with Gearhead events, cruises and activities. The only problem I see, is that it will be a difficult choice on which event you want to go to.

Due to the size of the **GAZZETTE**, some of you have told me that your internet provider stops it from coming to you. In an effort to help that, and to make some improvements to the way the **GAZZETTE** delivers all this info to you, I have made some changes to the format. Check this issue out and let me know what you think. Don't be bashful. I know you wont. This newsletter is only as good as the feedback I get from all of you. Remember, if you don't get this via email, you can always read the **GAZZETTE** on line at [www.gearheadgazzette.com](http://www.gearheadgazzette.com).

One event you wont find listed is the Friday Nite Drags at the Nashville Superspeedway. Dover Racing Group and the Speedway leadership have decided to not hold those events this year. No reason given...just wont happen this year. Too Bad as a lot of folks really had a good time at this deal last year.

There is an event coming up that I want to highlight a little more. On May 8<sup>th</sup>, the NSRA Appreciation Day will take place. The event location has moved to a new location. It will be held at T & N Steering Column Repair. The folks putting this event on, plan to make it extra special for Terry Manlove who owns T & N. Terry has always been there to help out Street Rodders for many many years. He never turned anyone down when they needed a hand. Check out the event listing and plan on coming out.

Make sure to make plans to check out the Bellevue Cruisers 1<sup>st</sup> cruise nite of the season. All the fun kicks off on April 3<sup>rd</sup>, sponsored by Chubb Collector Insurance. Head over to Bellevue and have you a BIG time!!

Gonna give a SHOUT out to Danny Heichelbech & Marty Crain. They both had their cars show up in the latest **GOODGUYS GAZETTE** from the 2009 Bowling Green Event. Looking good guys!!

If you like, love or worship Willys Cars, be sure to check out the latest issue of **WOLF MOTORSPORTS E-ZINE** on line at [www.wolfmotorsportsmagazine.com](http://www.wolfmotorsportsmagazine.com). Editor Jeff has got some nice ones featured!!

Speaking of Willys, word on the street is that a very cool & nasty Big Block 41' Willys has been painted and is being rubbed out. Interior is next. You've seen the car in Middle Tn in primer with its blower singing some sweet sounds. Bill Johnson is helping Richard "Beaver" Hellis get the color just right. Knowing Bill, its gonna be perfect. Watch for this one soon in the Franklin Tn area and at your cruise nites...RUMP RUMP!!

Be sure to check out the WWW links and Business & Clubs sections. Some new additions to those sections like Tennessee Speed Sport(go fast & Customizing parts) & GATOR ( striping, lettering & Hot Rod Inspired Artwork) up in White House Tn. Gator has been featured in Ol Skool, Car Culture DeLuxe & Street Rodder magazines. HOT RODS & THREADS Full Service Hot Rod Shop has got some great info posted for all the Gearheads on the last page of the **GAZZETTE** also.

All of us that love this Hobby, Passion, disease, have some heros we admire. One of mine is Brian Brennan, Editor of **STREET RODDER Magazine**. I finally got the opportunity to meet him in Detroit at the Autorama. Only a few minutes, but meant a lot to me. Heck, he even put Paul Shauck & me up on the Street Rodder Website, setting up Pauls 33 Ford at Detroit. How cool is that!!

Please keep Terry West's (Springfield Tn) family in your thoughts and prayers. Terry recently passed away way too early. He will be sorely missed by family & friends. Terry drove an Orange 38 Chevy.

Also please keep Brad Thomas from Columbia Tn in your thoughts & prayers. Brad has a helluva fight in front of him, but I for one know he can do it. With your thoughts & prayers, he will be out cruising very soon. Get well soon Brad.

*Until next issue... "FLOOR IT AND HANG ON!!!!" We're doin' it again at FULL THROTTLE in 2010!!*

**Jimmy B.**

As always, if you want the **GAZZETTE** direct instead of forwarded 2<sup>nd</sup> hand, let us know. All you need to do is send me an email at [gearheadgazzette@aol.com](mailto:gearheadgazzette@aol.com). You can also always check out the current issue of the **GAZZETTE** on line at [www.gearheadgazzette.com](http://www.gearheadgazzette.com)

*"Remember...we're here for a good time...not a long time...Enjoy the Ride".*

### SATURDAY MORNING CRUISE IN's:

To all classic car fans.....

I have been repeatedly asked when are we going to start up the Franklin area Cars & Coffee for 2010? My suggestion is to come out for coffee twice a month, the 2<sup>nd</sup> Saturday & 4<sup>th</sup> Saturday of each month starting in March. That way if you can't make it one Saturday you don't have to wait an entire month before there is another one. To that end I have formulated the following calendar for 2010.

I thought it would be advisable to get the schedule out so people could mark their calendars and make plans to attend.

Please forward the schedule to other Classic Car Fans that are not on the list.

Carl Feickert
