**"IT'S ALL THE *GEARHEAD* NEWS YOU CAN USE"**

**VOL No. 10**

**MARCH 2010**

**ISSUE No. 3**

**EDITOR: JIM BRANDAU PUBLISHED: WHENEVER I CAN DO BUT MONTHLY MOST OF THE TIME...HA!!**

## **ROAD RUMBLINGS...**

Greetings Gearheads from Cold(13 degrees tonite as I am writing this) & Snowy (possible 1-3") Detroit!! I am up here at the 2010 AUTORAMA with Paul Shauck as preps and shows his 33 Ford Coupe at the Detroit Autorama. More on that later.

BIG NEWS from the Shades of the Past Rod Run. They are moving the show from the Smoky River Ranch where it has been held for many years. The 2010 edition will be held at the DOLLYWOOD Splash Mountain Water Park parking lot. HUGE parking lot!! No more dust & mud. For more info check your pre-registration that you recently got in your mailbox or check out the Shades of the Past website for lots more info and hotel pricing and packages.

Good Luck to Mark & Rhonda Delk. They will be heading up to Chicago to attend the Chicago World of Wheels Rod & Custom car show. They have got their 1969 BOSS 302 Mustang looking extra good and are ready to show it off at one of the bigger car shows in the country. Kick Butt!!!

Check out the back of the issue for a request from a TSU student for some cars for an event. If you can help out contact Nathan at his contact info listed here.

Can any of the Gearheads in Middle Tn tell me if there will be a NSRA Appreciation day in Nashville this year? Normally it is in Mid April at HUNTERS CUSTOM AUTO. Have not heard or seen anything on this so if you know something please share it as Gearheads are asking.

It was good to see some of you Gearheads at the STONES RIVER AACA Swap meet this past February. The Swap meet looked full inside for the most part and a good number of vendors outside too. Based on info there, the STONES RIVER guys and gals say there will be a 2011 version of the swap meet at the Tennessee State Fairgrounds. It looks like we will have another swap meet too, out in the Wilson County area around the same time in 2011 also. We will post the info for you on both of these events later in the year. The good thing is, we will have swap meets!!

Be sure to check out the "*COOL HAPPENINGS IN YOUR GARAGE*" Section. I have thrown in some photos from the Detroit Autorama on set up days. Yes I said days as it

takes way more than 1 to get this one set up. Enjoy the pics!! Nobody else has these pics yet!!

As I said at the start of this column, I am up in Detroit at the 2010 AUTORAMA with Paul Shauck. Paul has finished his 1933 FORD Coupe and we are on tour with it so to speak.. After the AUTORAMA we will head to Chicago for the World of Wheels show there. From there we will head back to Nashville and show the Coupe at the Hunters Custom car show.

Pauls car is looking good as you will be able to see elsewhere in this issue. He is one of 30 cars showing for the first time ever in Detroit!!! Good luck to Paul!!

Having been part of and having been to many indoor Car Shows over the years, the AUTORAMA is impressive. Not just because we are showing a car, but how the Michigan Hot Rod Assoc (MHRA) runs this show. 1<sup>st</sup> thing, you don't just show up at the back door to bring your car in. You have a "SCHEDULED" time to arrive and be let in. You wont get in early...trust me. Folks...IT WORKS!! They have to do this as when you are packing over 800 cars in one building, it takes a whole lot of coordination and more than 1 day.

Talk about the cream of the crop in Hot Rods, Customs, Trucks, Bikes and a WHOLE LOT MORE as they say. It's here. Add in the who's Who of the world of HOT RODDING and you have a REALLY BIG time breaking out.

I could go on and on, but I won't. Suffice to say that this is a really cool experience, that doesn't come along very often. Kind of like one of the "BUCKET LIST" things you need to do at least once. I highly recommend it as it SOOOO BITCHINNNNNNN!!!!

*Until next issue... "FLOOR IT AND HANG ON!!!!" We're doin' it again in 2010!!*

**Jimmy B.**

### **SATURDAY MORNING CRUISE IN's:**

To all classic car fans.....

I have been repeatedly asked when are we going to start up the Franklin area Cars & Coffee for 2010? My suggestion is to come out for coffee twice a month, the 2<sup>nd</sup> Saturday & 4<sup>th</sup> Saturday of each month starting in March. That way if you can't make it one Saturday you don't have to wait an entire month before there is another one. To that end I have formulated the following calendar for 2010.

I thought it would be advisable to get the schedule out so people could mark their calendars and make plans to attend. Please forward the schedule to other Classic Car Fans that are not on the list.

Carl Feickert

Team D.R.I.V.E.  
Developing Recruitment by Increasing Visibility through Executing  
Empowerment and Unification

Greetings I am Blake Nathan, a Junior attending The Tennessee State University from Stone Mountain, GA, Majoring in Aeronautical and Industrial Technology with a concentration in Aviation Flight with aspirations to become a private pilot and a secondary education math teacher. Throughout life individuals have dreams and goals to accomplish and with that said, I Blake Nathan is campaigning to become the next Student Government Association Vice President for the 2010-2011 academic school years. I have already developed a platform and a theme for my campaign. My platform is D.R.I.V.E, which stands for Developing Recruitment by Increasing Visibility through Execution. The theme for the week is TSU 500 (NASCAR) and with this theme I am trying to center all my events around cars and racing below is a schedule of the events that I am doing and as you can see Tuesday April 6<sup>th</sup> 2010 at the Field House parking lot located on campus; I'm trying to have a car show where we have cars that are showcased to the students. My campaign team is trying to have at least ten cars and there will be food and music playing at the event. If you would like to partake in the event and help me achieve one of my goals you can contact me via email at [bnathan11@gmail.com](mailto:bnathan11@gmail.com) or by phone 678-634-7268.
